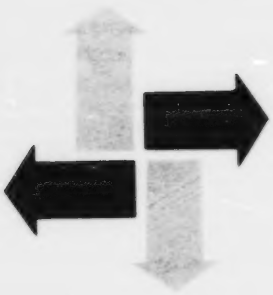
Provincial Transfer Guide

for

Universities, Colleges
Technical Institutes
and other Post-Secondary
Institutions



ALBERTA COUNCIL ON ADMISSIONS
AND TRANSFER
11160 JASPER AVENUE
EDMONTON, ALBERTA

HISTORY AND PURPOSE OF THE GUIDE

Item No. 3 of the Council's terms of reference reads as follows: "The Council shall compile, maintain and disseminate a registry of all existing admissions and transfer arrangements within the Alberta system of advanced education."

In accordance with the above, and as soon as possible after its inception, the Council set about the preparation of such a registry, termed the Alberta Provincial Transfer Guide. The first edition, for the academic year 1976/77, has been revised and updated yearly.

The Alberta Provincial Transfer Guide is the official statement of transfer arrangements duly negotiated and approved by post-secondary institutions in this Province. It is, moreover, broadly used by other jurisdictions in support of Alberta students transferring there, and more generally as information about the kinds of transfer arrangements developed in this Province with the support of the Alberta Council on Admissions and Transfer.

Notwithstanding transfer agreements included herein, resource and other limitations may in some cases preclude the admission of transfer students on the same basis as students already registered in the receiving institution. Further details are available from the Registrar of the receiving institution.

I. INTRODUCTION

USE OF THE GUIDE

The organization of this, the eleventh edition of the Guide, is similar to that of last year's (1985-86) edition. Section II deals with university credit available to students transferring from public colleges, technical institutes and vocational centres: it announces the regulations of Alberta universities as receiving institutions, and specifies transfer credit - first on a course by course basis, and then on a program basis. Section III deals with non-university credit available to students from various sending institutions: it announces the regulations of non-university receiving institutions, and specifies transfer credit on a program basis. Section IV lists the course transfer credits available from private sending institutions in affiliation with The University of Alberta. Section V presents a statement of transfer principles as developed by the Council, together with an explanation of the Council's role and the policies and procedures under which it operates.

It should be noted that:

(1) **The information presented in the Guide is the most recent available as of April 1, 1986.** This information is, in most instances, current. However, since negotiations among institutions are continuous and ongoing, there will undoubtedly be some instances in which listings are obsolete or incomplete. Registrars in the institutions should be contacted where questions arise.

(2) **Informal transfer arrangements are possible on an individual student basis.** These involve assessment by the receiving institution of an individual student's program, past performance, and the requirements of the program which the student wishes to enter. **Students in the position of transferring where special consideration may be warranted are advised to consult with the registrar at their present institution and to ask that he make the initial contact on their behalf.**

(3) **Transfer arrangements specified in the Guide are dependent on the particular program a student wishes to enter. Where selection procedures are applicable, such procedures take precedence over the normal procedures.**

(4) Since receiving institutions have specific admission and program requirements, **the arrangements described herein do not constitute an absolute guarantee of admission of credit.**

(5) The Transfer Guide for each year does not provide a cumulative record of changes in courses or transfer credits. Persons using the Guide may therefore need to consult previous editions of the Guide for a complete record of courses previously offered.

(6) When assessing students' transcripts, the assessor should consult the edition of the Guide corresponding to the year in which a given course was taken. Where questions arise, the Registrar's office at the sending institution should be consulted.

EXPLANATION OF TERMS

Receiving institution — any post-secondary institution **to** which students are transferring.

Sending institution — any post-secondary institution **from** which students are transferring.

Credit equivalent — a course for which credit is given by the receiving institution. Wherever possible, a specific course equivalent will be assigned by the receiving institution (e.g. English 123 = English 456).

Option	— (a) When used in relation to a particular program of study, "option" refers to courses in that program which are not prescribed by the Faculty and in which the student is allowed a choice. This choice may either be confined to a particular discipline (e.g. History) or unrestricted from among all offerings ("open" option).
	— (b) Where no direct equivalent exists, an "option" in the discipline, preceded by an indication of the level of study (junior, senior) is awarded (e.g. Jr. History).
Elective	— see Option.
Unassigned or unspecified	— see Option (b).
No credit	— indicates that the receiving institution has assessed a particular course and that no credit will be awarded.
Not applicable	— indicates that the receiving institution does not offer a program of study to which this course or program could be applied. Consequently, credit is not awarded.
Under review	— indicates that, at the time of publication, a course is undergoing assessment for equivalency by the receiving institution.
No entry (white space)	— indicates that the receiving institution has not assessed, and is not in the process of assessing credit equivalence for this course or program.
See above or below	— indicates that the same credit is awarded as for the course listed immediately above or below that particular entry.

APPLICABLE TIME PERIOD

1. The transfer of credit noted in this Guide applies to courses being taken during the academic year 1986 - 1987 (July 1, 1986 to June 30, 1987).

2. Credits for courses taken previously are governed by the Transfer Guide for the year in which the courses were taken.

3. Where a student continues in a transfer program on a full-time basis without a break in his/her studies, no problem should occur.

4. Where a student interrupts his/her studies or spreads them out over a longer period of time (as a part-time student), some problems may be encountered if the program requirements have changed. A student seeking transfer under these circumstances should seek advice from the institution offering the program which he/she wishes to enter to determine the current status of transferability.

REGULATIONS OF RECEIVING INSTITUTIONS

The following statements have been provided directly by institutions. Other specific institutional regulations are included in the respective institutional calendars.

The University of Alberta

General Statement

The University will accept students transferring from public and private affiliated colleges on the same basis as students transferring from a provincial university.

A student seeking transfer to the University following successful completion of **two semesters** (one year or 30 semester-hours of credit) at a college will be considered for admission to the level of the **second year** at University.

A student seeking transfer to the University following successful completion of **four semesters** (two years or 60 semester-hours of credit) on an approved university transfer program at a college will be considered for admission to the level of the **third year** at University.

A student seeking admission to the University following successful completion of less than two semesters (one year or thirty semester-hours of credit) at a college will be considered for admission to the first year at the University. Such students will be granted advanced standing for the transfer courses completed.

The University of Alberta will accept courses from British Columbia post-secondary colleges **IF** such courses are acceptable to the universities in British Columbia, and to the extent that they are applicable to the particular degree program applied for.

Normally, approval will not be given to proposals from either public, regional colleges or private colleges affiliated with The University of Alberta, to offer courses for transfer which generally require two years of university preparation as prerequisites.

Some Elements of Transfer Policy

1. The basic principle is that transfer be considered only for those students whose previous academic records are satisfactory.

2. The University does not insist that individual courses taken at the colleges have exact counterparts in the University curriculum in order that credit be granted on transfer. Moreover, the University will grant transfer on the basis of two full semesters of College study being equivalent to one year at the University, regardless of slight differences that may exist in the credit evaluation of some of the College courses as compared with their University counterparts. However, transfer cannot be permitted if an applicant is deficient in the academic preparation required of the study program into which transfer is being requested. Where a course-to-course equivalent cannot be established, credit is granted, provided the standing is acceptable as "elective credit".

   Students should be cautioned that specific requirements exist at the Faculty level and in most Department programs. These cannot normally be fulfilled by elective credit.

3. Students transferring from any college or university in which they obtained the minimum passing grade should consult the appropriate faculty calendar to determine whether any transfer credit is possible. Transfer credit is not awarded for "D" level grades or equivalents, but will be used in calculating the student's GPA for purposes of admission.

4. A student once enrolled and eligible to continue studies, who plans on obtaining a University of Alberta degree, may be guaranteed transfer credit from another institution only if prior permission has been obtained from the Faculty in which the student is enrolled.

5. **Challenge credit** — some faculties will permit a student who has not enrolled for nor taken a course to "challenge" the course by writing an examination covering the course content. If the examination is passed the student may be given credit for the course.

6. Courses that have been successfully "challenged" at other institutions will be useful to provide advance placement at the University, but credit for such "courses" will not be guaranteed toward a degree.

7. In some disciplines, such as art, music, and theatre, it is impossible to provide an exact matching of college and university courses. In these situations the college courses are accepted on transfer in the category of "elective" credit in the particular discipline. Transfer of credit for the courses listed in this Guide to the B.F.A., B.Mus. and Honours programs in the Faculty of Arts at The University of Alberta will be at the discretion of the Faculty of Arts. Students planning to transfer to one of these programs should consult with the Student Programs Office of the Faculty of Arts at The University of Alberta.

8. Students who present the College Diploma from an Alberta Agricultural and Vocational College, and who obtain a grade point average of 2.7 or higher on the 4-point system, may receive credit for up to six single-term courses in Agriculture in recognition of collective experience and performance in the Agriculture Colleges. These course credits are to be from among the 200- and 300-level courses of the Faculty and will be determined by the Dean upon recommendation by the student advisor of the program in which the student wishes to major.

9. The courses listed are taken from the "academic offerings" of the colleges. These courses are in general intended to serve as a basis for further studies at a post-college level. Courses offered by the colleges in vocationally oriented programs are not intended to prepare students for transfer to universities and are, therefore, not listed in the following tables.

10. Courses successfully completed as part of university transfer programs in British Columbia Regional Colleges will be considered for transfer (to the extent they may fit a university program) on the basis of their equivalency for transfer credit to a recognized university program in British Columbia.

Admissions Information

1. *The Academic Year*

The University of Alberta's academic year is divided into the following sessions:

WINTER SESSION (1st term) : September - December
WINTER SESSION (2nd term) : January - April
SPRING SESSION : May - June
SUMMER SESSION : July - August

2. *Application Deadlines*

Students may apply for admission to any one of the above sessions. However, it should be noted that not all Faculties will accept transfer students to every one of the above sessions. Please find listed below the application deadlines for each session where admission is possible:

FACULTY	PROGRAM	WINTER - 1st TERM	WINTER - 2nd TERM	SPRING	SUMMER
AGRICULTURE & FORESTRY	B.Sc.	June 1	November 1	NA	NA
ARTS	B.A. (Gen., Spec., Hon.)	June 1	November 1	March 1	April 1
	B.A. (Special in Criminology)	March 1			
	B.F.A. (Drama)	January 1 (Audition application deadline - January 11)	NA	NA	NA

	B.F.A. (Art & Design)	May 1	NA	NA	NA
BUSINESS	B.Comm.	June 1	NA	NA	NA
DENTISTRY	Dental Hygiene	February 1	NA	NA	NA
	D.D.S.	February 1	NA	NA	NA
EDUCATION	B.Ed., B.Ed.-A.D.	June 1	November 1	NA	NA
ENGINEERING	B.Sc.	May 1	NA	NA	NA
HOME ECONOMICS	B.Sc.	June 1	November 1	March 1*	April 1*
				*on a individual basis only	
LAW	LL.B.	February 1	NA	NA	NA
MEDICINE	M.D.	December 1	NA	NA	NA
	B.Sc. (Med. Lab. Science)	June 1	NA	NA	NA
NURSING	B.Sc. (Basic & Post-Basic)	May 15	NA	NA	NA
PHARMACY	B.Sc.	June 1	NA	NA	NA
PHYSICAL ED. & RECREATION	B.P.E., B.A.	June 1	November 1	NA	NA
REHABILITATION MEDICINE	B.Sc. Occupational Therapy	May 1	NA	NA	NA
	Physical Therapy	February 1			
	Speech Pathology and Audiology	May 1			
SAINT-JEAN	B.A., B.Sc., B.Ed.	June 1	November 1	NA	NA
SCIENCE	B.Sc. (Gen)	June 1	November 1	March 1	April 1
	(Spec)	June 1	November 1	NA	NA
	(Hon)	June 1	November 1	NA	NA

3. *Official Documents*

Transcripts of your post-secondary work should be submitted to the Office of the Registrar with the application if possible, otherwise as soon as they become available after the application deadline date.

Further questions concerning transfer and/or admission may be directed to:

Student Access Centre
Office of the Registrar
The University of Alberta
Edmonton, AB T6G 2M7

Phone (403) 432-4537

The University of Calgary

Admission Regulations

Prospective applicants should familiarize themselves with the entrance requirements for The University of Calgary. This information is provided in the University Calendar and may also be obtained by contacting the Admissions Section of the Registrar's Office. No student will be considered for admission or transfer credits unless the entrance requirements of the University are satisfied.

Applicants who are not Canadian citizens and who have not resided in Canada or another English-speaking country for at least five years prior to the session to which admission is sought must present proof of proficiency in the English language before they will be considered for admission.

Transfer Regulations

1. Advanced credit is not awarded for any courses completed with grades of "D" or equivalent (grades of "4" or below on a nine-point scale) unless these are University of Calgary courses offered at Medicine Hat College or Mount Royal College.

2. The academic standing of transfer applicants at their previous post-secondary institution(s) must be such that they would be allowed to proceed in a degree program at The University of Calgary. Students intending to transfer to the University should be aware that an excessive number of withdrawals or failures, or a cumulative grade point average below 2.0 (on a four-point scale) or below 5.0 (on a nine-point scale), may result in refusal of admission.

3. Advanced credits are awarded only to the extent that they fit the student's particular program at The University of Calgary. Courses which are not directly applicable to that program are considered extra to the student's degree.

4. The amount of advanced credit that may be granted is limited by the residence requirements of the different faculties at the University. Students entering the Faculty of Physical Education may transfer a maximum of one full year of course work completed at another post-secondary institution, including only one full-course equivalent in activity courses. The remaining faculties normally allow credit for up to two full years of course work completed elsewhere. In addition, some faculties stipulate the number of years students may take to complete a degree following initial registration. Courses for which transfer credit is allowed must also be completed within the same number of years. For example, if a student is permitted 10 years to complete a degree, courses for which transfer credit is granted must also have been completed within the same 10-year period.

5. Students attending The University of Calgary are not permitted to repeat a course more than once. Prospective transfer applicants should be aware of this regulation since courses completed a third or more times will not be accepted for advanced credit.

6. When selecting courses, prospective transfer students should be aware of the limit on the number of junior courses (100- and 200-level courses) that may be counted towards a degree program at The University of Calgary. Please refer to the University Calendar for further details.

7. Transfer students must ensure that they do not take duplicate courses, since no credit will be granted for those courses which duplicate in content a course previously completed.

8. The following pages list courses which have been evaluated by The University of Calgary as transferable credits on the basis of present working arrangements. The University does not necessarily consider the courses as exact equivalents to University of Calgary courses. However, to simplify registration procedures for new students, the courses are listed as if they were directly equated. Courses transferred from other post-secondary institutions may be used as prerequisites for senior-level courses at The University of Calgary.

9. Transfer students should familiarize themselves with the academic regulations printed in the University Calendar since these regulations will apply in all cases to transfer students.

Application and Transcript Deadlines

Faculty	Degree Programs	Fall Session		Winter Session	
		Application	Transcripts	Application	Transcripts

SOCIAL SCIENCES	B.A., B.Sc.	June 1	August 15	December 1	December 15
SOCIAL WELFARE	B.S.W.	March 15	June 15	Applications not accepted	

The application and transcript deadlines for the Spring and Summer Sessions are:

Spring Session — April 1 (applications)
— April 15 (transcripts)
Summer Session— May 1 (applications)
— May 31 (transcripts)

Note: 1. The Faculties of Education, Management, Nursing, and Social Welfare do not accept new students to a degree program for the Spring or Summer Sessions. Only those applicants who are clearly admissible to the Faculties of Engineering and Physical Education will be considered for the Spring or Summer Sessions; however, both of these faculties recommend that new students enter for the Fall Session.

2. The Faculties of Education and Physical Education will consider applications for admission to a degree program for the Winter Session only if there are available spaces. Applications for admission to a degree program offered by the Faculties of Engineering or Fine Arts for the Winter Session must be submitted by the Fall Session application deadline.

Further information regarding admission and transfer credit may be obtained from:

The Director of Admissions
Registrar's Office
The University of Calgary
2500 University Drive, NW
Calgary, AB T2N 1N4

Phone (403) 220-6645

The University of Lethbridge

Transfer Policy

1. Students are referred to the appropriate section of The University of Lethbridge calendar for information concerning the admission of transfer students.

2. A student transferring to The University of Lethbridge from a college must have obtained a minimum cumulative grade point average of 2.00 or equivalent. Credit is not awarded for "D" level grades or equivalent.

3. Transfer credit is awarded only to the extent to which it may be applied to the student's degree program.

4. Where unspecified credit is awarded, it is the responsibility of the student to consult the appropriate Department for academic advice.

5. Transfer students are advised of the twenty-semester-course residence requirements for the first degree.

6. Due to the unique nature of the Bachelor of Education program, all college students who intend to transfer into the Faculty of Education are advised to enrol in Liberal Arts courses appropriate to the chosen major, rather than in professional or Education courses. Approved Education courses are transferable to the extent to which they fit the individual student's program, to a maximum of four semester courses.

7. The course equivalents listed in this Guide are based on 1986/87 calendar descriptions and do not apply where course descriptions or programs are revised in the ensuing years.

8. Transfer of credit for courses within the Bachelor of Fine Arts program or Bachelor of Music program is at the discretion of the Faculty of Professional Studies. Students in these particular areas shall be expected to display a level of proficiency that allows them to continue in course sequences at The University of Lethbridge. In the case of Bachelor of Fine Arts students, a portfolio may be required; in the case of Bachelor of Music students, an examination and/or audition may be required.

Further information regarding Admission or Transfer credit may be obtained from:

Registrar's Office
The University of Lethbridge
4401 University Drive
Lethbridge, AB T1K 5B4

Phone: (403) 329-2231

Athabasca University

Athabasca University has a general mandate from the Government of Alberta to provide university undergraduate education in liberal and applied studies, to people who are unable or unwilling to attend the campus based universities. More specifically, Athabasca provides education at the university level through self-study instructional materials, through the provision of lecture courses in smaller centers and through the use of various forms of educational technology in the delivery of educational experience.

Admission Requirements

Athabasca University has an open admissions policy. Effectively, this means there are no formal high school prerequisites for admission into the University. Applicants, however, must be at least eighteen years of age.

Credit Coordination

Athabasca University has been given a mandate by the Provincial Government to act as a credit-coordinating agency for the Province. For practical purposes, this means the following;

1. That Athabasca University will endeavour, as much as possible, to articulate its programs with those of other post-secondary institutions;

2. That Athabasca University will give careful consideration to the awarding of transfer credit for university-level work or its equivalent undertaken at a wide variety of post-secondary institutions. In particular, Athabasca University has established a Bachelor of General Studies (BGS) degree which is given for individually designed educational programs without the normal one or two year residence requirements.

Transfer of Credit to Athabasca University

1. Any courses considered for transfer credit must have been completed with a grade equivalent to Athabasca's passing grade, which is 60%. For purposes of transfer, this minimum corresponds to a grade of "C" on a four-point scale or a grade of "5" on a nine-point scale.

2. Transfer credit is awarded only to the extent to which it may be applied to the student's degree program. Degree regulations as listed in the University Calendar will apply in all cases to transfer students.

3. Courses that are acceptable for transfer to one or more of the other 3 Alberta universities will be considered transferable to Athabasca University, if appropriate to the student's degree program, with the exception of 100-level courses, which will be considered for transfer on an individual basis only and Business Administration courses which are evaluated and added to this Guide under the terms of a specific arrangement.

4. No credit will be granted for individual field placement, practicums, professional seminars, or for elementary skills except as these happen to be a part of a complete professional certification.

5. Post-secondary college courses, which do not have university transfer status, will be considered for transfer on a limited basis as outlined in the University calendar.

Further information regarding admission and transfer credit may be obtained from:

Registrar's Office
Athabasca University
Box 1000
Athabasca, AB T0G 2R0

COURSE GUIDE

Institutions identified in the column on the left are the sending institutions. Courses included in this column are referred to by actual course names and numbers designated by the sending institution. Further information on these courses may be obtained by referring to the respective calendar of the sending institutions.

The universities to which transfer is accepted are listed at the head of each of the columns on the right. Courses listed under each of the universities represent the university course equivalences of the courses specified in the sending institution column. Where course equivalencies are listed, these courses will be accepted for transfer to a university to the extent that they fit the requirements of the particular program entered.

In some cases, footnotes are used to indicate provisions under which the transfer arrangements apply for specific procedures involved in transfer. **Users of the Transfer Guide are advised to pay particular attention to footnoted comments.**

NOTE: The following pages 12-84 deal with course by course arrangements only. For program arrangements see pages 85-108.

NOTE: For International Baccalaureate Courses for credit at The University of Alberta only see page 84.

NOTE: Although not listed in the Course Guide section of this year's Transfer Guide, **Camrose Lutheran College** recently has been designated as an institution that may grant B.A. (general and special) and B.Sc. (general and special) degrees. **Therefore, the college is a receiving institution for transfer students seeking to complete a liberal arts degree program.**

Further information regarding admission and transfer credit may be obtained from:

The Director of Admissions
Camrose Lutheran College
4901 - 46 Avenue
Camrose, AB T4V 2R3

Phone: (403) 679-1100

—Composers' Workshop (4 weeks)	Sr. MUSIC option (3)	Sr. MUSI (3)		

[1] All courses must be completed with a grade of "C-" or better in order to be considered for credit at The University of Calgary and at The University of Lethbridge. No credit will be granted for courses of less than three weeks duration. All students must obtain prior approval from the appropriate faculty office before undertaking these courses for transfer credit to The University of Lethbridge.

[2] All credit for Art courses at The University of Alberta, The University of Calgary, and The University of Lethbridge will only be assigned on presentation of a transcript evidencing a satisfactory grade PLUS PORTFOLIO.

[3] Not transferable to the B.A. (Honors) program in Music at The University of Alberta.

[4] Students who have completed one full year of university-level instruction in music (or its equivalent) prior to enrollment in Banff School music courses will be awarded senior-level credit. All other students will be awarded junior-level credit.

[1] Courses that are acceptable for transfer to one or more of the other 3 Alberta universities will be considered transferable to Athabasca University, if appropriate to the student's degree program with the **exception** of 100-level courses, which will be considered for transfer on an individual basis only **and** Business Administration courses which are evaluated and added to this Guide under the terms of a specific arrangement.

[2] Not accepted for credit towards Bachelor of Commerce degree.

[3] Students who wish to receive credit for STAT 343 at The University of Calgary must pass a diagnostic test administered by the Department of Mathematics and Statistics.

[4] Business Administration program is currently under review by the School of Management.

[1] Where unspecified credit is awarded, the student is responsible for ensuring that no duplication of course work occurs.

[2] Courses that are acceptable for transfer to one or more of the other 3 Alberta universities will be considered transferable to Athabasca University, if appropriate to the student's degree program, with the **exception** of 100-level courses, which will be considered for transfer on an individual basis only and Business Administration courses which are evaluated and added to this Guide under the terms of specific arrangement.

[3] No credit in B.F.A. program.

[4] Students with credit in either Botany 206 or Zoology 220 and without credit in Biology 200 will be required to complete BIOL 201 at The University of Calgary before any other major courses may be taken in the Department of Biology.

[5] Credit will be granted on a course by course basis on the Bachelor of Administration Degree Program.

[6] Not acceptable for credit towards a Bachelor of Commerce degree program at The University of Calgary.

[7] Faculty of Engineering course.

[8] Credit will be allowed for only one of Computing Science 214, 351 or 357.

[9] Double credit for Computing Science 272 and any one of MATH 271, CPSC 213 or CPSC 321 will not be permitted.

[10] Students who subsequently complete DRAM 360 at The University of Calgary may not also receive credit for Drama 321 taken at Grande Prairie Regional College.

SENDING INSTITUTION	RECEIVING INSTITUTION			
GRANDE PRAIRIE REGIONAL COLLEGE	U OF A	U OF C	U OF L[1]	ATHABASCA UNIVERSITY[2]

[11] Students who subsequently complete ECON 340 at The University of Calgary may not also receive credit for Economics 341 taken at Grande Prairie Regional College.

[12] Will be considered as an Administrative Studies option on the Bachelor of Administration Degree Program.

[13] Note general statement covering transfer of Education courses. See page 9 of this Transfer Guide.

[14] Must include a minimum of 60 hours.

[15] Course may not be used as prerequisite for senior English courses.

[16] Faculty of Education.

[17] Transfer credit is granted providing the student has matriculation and does not also present this subject as part of that matriculation.

[18] Transfer credit for French 130 will be allowed only if the student does not also present French 30 or 31 (or equivalent) and does not use this subject to satisfy matriculation requirements. This course is not available for credit in the Faculty of Education at The University of Calgary.

[19] Provided that a different "language other than English" is presented for matriculation.

[20] Not to do French 100 (6).

[21] Not to take GEOG 381.

[22] Students cannot enrol in GEOG 310 for credit.

[23] Not to take GEOG 350.

[24] Students with credit in HIST 314 may not take History 313 for credit.

[25] Credit towards degree requirements will be allowed for only one of Management Science 306/307, Psychology 309 or Statistics 241 or 255, whichever is most appropriate to the degree program.

[26] Credit will be allowed for only one of Mathematics 202, 203, 212, 240 and only one of Mathematics 204 or 213.

[27] Credit will be allowed for only one of Mathematics 221 or 243.

[28] Not to be given transfer credit to B.Sc. programs in the Faculty of Science.

[29] Do not take MATH 3400.

[30] For Education students. The movement requirements may be waived.

[31] No credit in Music. Possible unspecified Education credit.

[32] Transfer of credit is assured only to B.A. (General) and B.A. (Special) programs. Credit may be given in the B.Mus. program, but only on individual assessment and only for approved instrument.

[33] Credit for MUSI 251, 253, 291, 293, 351, 353, 391 or 393 is dependent upon the outcome of the student's placement test and audition with The University of Calgary.

[34] Not to take PHIL 230.

[35] PHIL 2120, 2130 or 3110 should not be taken at The University of Lethbridge except by special permission.

[36] Only one year of credit is transferable to the three-year Bachelor of Physical Education degree program at The University of Calgary. This one year of credit may include only one full-course equivalent (6 credit units) in activity courses, of which only one quarter-course equivalent (1.5 credit units) may be at the 300-level (advanced).

[37] Credit will be allowed for PHED 263 (3) and Jr. PHED option (3) if both Physical Education 201 and 206 are completed.

[38] Credit will be allowed for only one of Physics 203 or 205.

[39] Course equivalents may vary depending on the student's program.

[40] Not available for credit to students who are required to complete MDSC 200 or ZOOL 370 at The University of Calgary.

[41] Students cannot enrol in POLI 214 for credit.

[42] Bachelor of Administration students cannot enrol in MATH 215 for credit.

[43] Students cannot enrol in SOC 316 for credit.

[44] Not accepted for credit towards Bachelor of Commerce degree.

SS 202.3			SOC 3310 (3)	See footnote 1
SS 304.3			SOC 3350 (3)	

[1] Courses that are acceptable for transfer to one or more of the other 3 Alberta universities will be considered transferable to Athabasca University, if appropriate to the student's degree program, with the **exception** of 100-level courses, which will be considered for transfer on an individual basis only **and** Business Administration courses which are evaluated and added to this Guide under the terms of a specific arrangement.

[2] Credit for ANTHR 202 will not be given for any combination of these courses.

[3] Portfolio required.

[4] Students must have credit in ART 232 and Art 202.3 or 103.3 at Grant MacEwan and portfolio and Department of Art and Design recommendation.

[5] Student must also have credit in ART 232 and portfolio and Department of Art and Design recommendation.

[6] Portfolio and Department of Art and Design recommendation required.

[7] Must also have credit in ART 240 and portfolio and Department of Art and Design recommendation.

[8] On B.Com. program.

[9] Bachelor of Administration students cannot enrol in MATH 244 for credit.

[10] Students cannot enrol in ACCTG 254 for credit.

[11] Students cannot enrol in ORGB 386 for credit.

[12] Accepted for Jr. BIOL at the 200-level.

[13] Any four of English 200.6, 203.3, 207.3, 210.6, 302.3, 303.3, 306.3, 307.3 or 405.3 accepted as four 2000-level ENGL courses.

[14] Credit will be allowed for a Jr. ENGL (3) if any two of EN 203.3/302.3/303.3/304.3 are completed.

[15] Approved for 1986/87 only.

[16] Students cannot enrol in POLI 309 for credit.

[17] Grant MacEwan Community College and The University of Alberta are currently engaged in a transfer study. During the period of the study (September 1, 1983 to April 1, 1986) credit will be granted (provided the student has completed all course requirements, obtained a minimum grade of "C", and agrees to participate in the study) as follows: PSYCO 353 for PY 301.3, PSYCO 341 for PY 315.3, PSYCO 383 for PY 320.3, PSYCO 361 for PY 325.3, SOC 301 for SO 305.3 and SOC 371 for SO 330.3. Continuing transfer arrangements for these courses are dependent upon the outcome of the study.

[18] No credit for PSYCO 361 (3).

[19] Transfer credit is granted providing the student has matriculation and does not present these subjects as part of that matriculation.

[20] Transfer credit for FR 101.4/102.4 will be allowed only if the student does not also present French 30 or 31 (or equivalent) and does not use this subject to satisfy matriculation requirements. This course is not available for credit in the Faculty of Education at The University of Calgary.

[21] Do not take FREN 3210.

[1] Courses that are acceptable for transfer to one or more of the other 3 Alberta universities will be considered transferable to Athabasca University, if appropriate to the student's degree program with the **exception** of 100-level courses, which will be considered for transfer on an individual basis only **and** Business Administration courses which are evaluated and added to this Guide under the terms of a specific arrangement.

[2] Arts option only, not to be used in B.F.A. degree.

[3] Transfer is approved, subject to acceptance of a representative portfolio of work on the course.

[4] Students with credit in either Botany 205 or Zoology 220 and without credit in Biology 200 will be required to complete BIOL 201 at The University of Calgary before any other major courses may be taken in the Department of Biology.

[5] Bachelor of Administration students cannot enrol in MATH 215 for credit.

[6] Students cannot enrol in MKTG 398 for credit.

[7] Students cannot enrol in LEGR 369 for credit.

[8] Three of these 6 Jr. CMPUT credits may be used to meet the 3 Junior credit compulsory Computing Science core requirement on the Bachelor of Administration program.

[9] Students cannot enrol in STAT 1770 for credit.

[10] As ACCTG 353 has been split into ACCTG 361 (3) and 352 (3), transfer credit to be awarded is currently under review.

[11] Credit will be allowed for only one of Computing Science 214 or 262. Students who subsequently complete CPSC 211 at The University of Calgary may not also receive credit for Computing Science 214 or 262 taken at Keyano College.

[12] Credit will be allowed for only one of Computing Science 214, 261 or 357.

[13] Will be considered as an Administrative Studies option on the Bachelor of Administration program.

[14] Note general statement on page 9 of this Guide regarding transfer of Education courses.

[15] Transfer credit for French 100 or Spanish 100 will be allowed only if the student does not also present French 30 or 31 or Spanish 30 (or equivalent) and does not use these subjects to satisfy matriculation requirements. These courses are not available for credit in the Faculty of Education at The University of Calgary.

[16] Credit towards degree requirements will be allowed for only one of Management Science 306/307 or Psychology 309,whichever is most appropriate to the degree program.

[17] Credit will be allowed for only one of Mathematics 202 or 240.

[18] Credit will be allowed for only one of Mathematics 221 or 243.

[19] Not to be given transfer credit to B.Sc. programs in the Faculty of Science.

[20] Do not take MATH 3400.

[21] Not accepted for credit towards a Bachelor of Commerce degree program at The University of Calgary.

[22] Course equivalents may vary depending on student's program.

[23] Not available for credit to students who are required to complete MDSC 200 or ZOOL 370 at The University of Calgary.

[24] Students cannot enrol in PSYCH 228 for credit.

[25] Students cannot enrol in SOC 316 for credit.

[2] Courses that are acceptable for transfer to one or more of the other 3 Alberta universities will be considered transferable to Athabasca University if appropriate to the student's degree program with the **exception** of 100-level courses which will be considered for transfer on an individual basis only **and** Business Administration courses which are evaluated and added to this Guide under the terms of a specific arrangement.

[3] Students with credit in either Botany 205 or Zoology 220 and without credit in Botany 200 will be required to complete BIOL 201 at The University of Calgary before any other major courses may be taken in the Department of Biology.

[4] Credit will be granted for only one of Computing Science 214 or 261.

[5] Not accepted for credit towards Bachelor of Commerce degree.

[6] Will be considered as Administrative Studies option on the Bachelor of Administration degree program.

[7] Note general statement on page 9 of this Guide covering transfer of Education courses.

[8] Transfer credit for French 100 will be allowed only if the student does not also present French 30 or 31 (or equivalent) and does not use this subject to satisfy matriculation requirements. This course is not available for credit in the Faculty of Education at The University of Calgary.

[9] Credit towards degree requirements will be allowed for only one at Management Science 306/307, Psychology 309, or Statistics 255, whichever is most appropriate to the degree program.

[10] STAT 1770 is waived for B.Mgt. students.

[11] Credit will not be granted for more than one of Mathematics 202 or 212.

[12] Credit will not be granted for more than one of Mathematics 202, 203, 212.

[13] Not accepted for credit towards a Bachelor of Commerce degree program at The University of Calgary.

[14] Course equivalents may vary depending on the student's program.

[15] Bachelor of Administration students cannot enroll in MATH 215 for credit.

[16] Students cannot enroll in PSYCH 228 for credit.

[17] Students cannot enroll in SOC 316 for credit.

[1] The credits referred to above will only be given at The University of Alberta if the student has been admitted, matriculation has been cleared, and any pre-requisites have been satisfied.

[2] Where unspecified credit is awarded, the student is responsible for ensuring that no duplication of work occurs.

[3] Students who wish to enter the Faculty of Education, Business Education major, are referred to page 92, of this Guide.

[4] In addition to credit for discrete courses as noted above the following unspecified Arts and Science credit will be granted for the General Education component of the following programs:

Communication Arts	2 (6)
Law Enforce	2 (6)
Recreat Man	4 (12)
Rehab Serv	1 (3)

[5] Courses that are acceptable for transfer to one or more of the other 3 Alberta universities will be considered transferable to Athabasca University, if appropriate to the student's degree program, with the **exception** of 100-level courses, which will be considered for transfer on an individual basis only **and** Business Administration courses which are evaluated and added to this Guide under the terms of a specific arrangement.

[6] Not available for credits toward a Bachelor of Commerce degree program at The University of Calgary.

[7] It is strongly recommended that students take the labs for these courses in order to become familiar with software referred to in succesive courses.

[8] On the B.Com. program at The University of Alberta there is only room for ½ Jr. OPEN elective for either of these Business courses.

[9] Do not take CSC 3650.

[10] Do not take CSC 3670.

[11] Consult with Mathematics Department regarding possible specified topics course credit.

[12] Do not take CSC 3900.

[13] Do not take MATH 2560.

[14] Do not take MATH 1510 or 1560.

[15] Do not take MATH 2850.

[16] Students who subsequently complete PSYC 385 at The University of Calgary may not also receive credit for Psychology 200 taken at Lethbridge Community College.

[17] No more than two half Jr. PHED options (3 credit units each) or one full Jr. PHED option (6 credit units) are transferable.

[18] Do not take PSYCH 2100.

[19] Do not take SOC 3310.

[20] No credit if student takes 2 of STAT 1770, 2780 or ECON 2900 at The University of Lethbridge.

[1] Where unspecified credit is awarded, the student is responsible for ensuring that no duplication of course work occurs.

[2] Courses that are acceptable for transfer to one or more of the other 3 Alberta universities will be considered transferable to Athabasca University, if appropriate to the student's degree program, with the **exception** of 100-level courses, which will be considered for transfer on an individual basis only **and** Business Administration courses which are evaluated and added to this Guide under the terms of a specific arrangement.

[3] Credit will be granted for one of Applied Math 207 or Math 251 and one of Applied Math 209 or Math 253.

[4] Students cannot enrol in MATH 265 for credit.

[5] Students cannot enrol in MATH 266 for credit.

[6] Not to take ANTHR 350 (6) for degree credit.

[7] Credit will only be granted when applicant also presents ART 335 and 337 and submits a portfolio to the Department of Art and Design for consideration.

[8] Credit will only be granted when applicant also presents ART 357 and 397 and submits a portfolio to the Department of Art and Design for consideration.

[9] Students cannot enrol in CSC 1600 for credit

[10] Do not take CSC 3620.

[11] Do not take CSC 3630.

[12] Do not take CSC 3600.

[13] Will be considered as an Administrative Studies option on the Bachelor of Administration program.

[14] Students who subsequently complete ENGL 312 at The University of Calgary may not also receive credit for either English 312A or English 312B taken at Medicine Hat College.

[15] Credit to Education students only.

[16] Not available for credit in the Faculty of Education at The University of Calgary.

[17] Transfer credit is granted providing the student has matriculation and does not present this subject as part of that matriculation.

[18] Do not take MODLANG 1000 or LING 2300.

[19] It is strongly recommended that students take the labs for these courses in order to become familiar with software referred to in successive courses.

[20] Do not take MATH 3400.

[21] Do not take MATH 3570.

[22] Credit for MUSI 291, 293, 391 or 393 is dependent upon the outcome of the student's audition at The University of Calgary.

[23] Transfer of credit is assured only to B.A. General and Special programs. Credit may be given in the B.Mus. program but only on individual assessment and only for approved instrument.

[24] No Music credit. Possible unspecified Education credit.

[25] Accepted as an option when students are not continuing on a Bio-Science program.

[26] Only one year of credit is transferable to the three-year Bachelor of Physical Education degree program at The University of Calgary. This one year of credit can include only one full-course equivalent (6 credit units) of activity courses, of which only one quarter-course (1.5 credit units) may be at the 300-level (advanced).

[27] Credit will be allowed for PHED 263 (3) and a Jr. PHED option (3) if both Physical Education 201 and 206 are completed.

[28] PED 3650 (3) is waived for B.Ed., Physical Education majors.

[29] Students cannot enroll in POLI 214 for credit.

[30] Students cannot enrol in POLI 309 for credit.

[31] Students cannot enrol in PSYCH 228 for credit.

[32] Do not take ANTHRO 3350.

[33] Students cannot enrol in SOC 316 for credit.

[34] Students with "C-" or better in both courses, credit given for STAT 255 (6).

[35] Not accepted for credit toward Bachelor of Commerce program.

[36] Students who wish to receive credit for STAT 343 for STAT 213 and STAT 347 for STAT 217 at The University of Calgary must pass a diagnostic test administered by the Department of Mathematics and Statistics.

[37] Credit towards degree requirements will be allowed for only one of STAT 213/217 or 343/347, whichever is most appropriate to the degree program.

[38] STAT 1770 is waived for B.Mgt. students.

[39] Secondary route only.

[1] Where unspecified credit is awarded, the student is responsible for ensuring that no duplication of course work occurs.

[2] Courses that are acceptable for transfer to one or more of the other 3 Alberta universities will be considered transferable to Athabasca University, if appropriate to the student's degree program, with the **exception** of 100-level courses, which will be considered for transfer on an individual basis **and** Business Administration courses which are evaluated and added to this Guide under the terms of a specific arrangement.

[3] On the B. Com. Program at The University of Alberta, there is only room for ½ Jr. OPEN elective for any one of these Administration courses.

[4] Students cannot enroll in ADMIN 232 for credit.

[5] Not accepted for credit towards a Bachelor of Commerce degree program at The University of Calgary.

SENDING INSTITUTION	RECEIVING INSTITUTION			
MOUNT ROYAL COLLEGE	U OF A	U OF C	U OF L[1]	ATHABASCA UNIVERSITY[2]

[6] Students who wish to receive credit for STAT 343 for Administration 1160 or Mathematics 1224 and STAT 347 for Mathematics 1261 or 1225 at Th University of Calgary must pass a diagnostic test administered by the Department of Mathematics and Statistics.

[7] Credit towards degree requirements will be allowed for only one of Administration 1160/1261, Engineering 1319, Mathematics 1224/1225, and Psycholog 2215, whichever is most appropriate to the degree program.

[8] Students who wish to receive credit for STAT 347 at The University of Calgary must pass a diagnostic test administered by the Department of Mathematic and Statistics.

[9] Grade of "B" or higher and provided the student has not used Biology 30 for matriculation.

[10] Chemistry 1030 and Biology 1110 are acceptable in lieu of Chemistry 30 and Biology 30.

[11] Credit will be allowed for only one of Biology 2201 or 1215.

[12] Not available for credit to students who are required to complete MDSC 200 or ZOOL 370 at The University of Calgary or to Biology majors.

[13] Not available for credit to students who are required to complete MIBI 241 at The University of Calgary or to Biology majors.

[14] Providing that the student has not used the corresponding Chemistry 30 or French 30 for matriculation.

[15] Chemistry 1212 together with BCEM 341 taken at The University of Calgary acceptable in lieu of BCEM 340.

[16] The University of Calgary gives credit for only one of CPSC 201, 211 or 257.

[17] Students cannot enroll in CMPUT 203 for credit.

[18] Students cannot enroll in CMPUT 220 for credit.

[19] Do not take CSC 3670.

[20] Transfer students wishing to complete higher-level CPSC courses will note that CPSC 211 at The University of Calgary uses PASCAL.

[21] Credit will be allowed for only one of Economics 1110 or 2201 and only one of Economics 1111 or 2203.

[22] Will be considered as Administrative Studies option on the Bachelor of Administration Degree Program.

[23] No more than two half Jr. ENGL (3 credit units each) or one full Jr. ENGL (6 credit units) are transferable.

[24] Maximum of two semester courses will be granted.

[25] Do not take FREN 2300.

[26] Transfer credit for French 1110/1111/2201/2203, German 1110/1111/2205/2207, Latin 1110/1111 or Spanish 1110/1111 will be allowed only if th student does not also present French 30 or 31, German 30 or 31, Latin 30 or Spanish 30 (or equivalent) and does not use these subjects to satisf matriculation requirements. These courses are not available for credit in the Faculty of Education at The University of Calgary.

[27] Transfer credit is granted providing the student has matriculation and does not present this subject as part of that matriculation.

[28] Credit will be allowed for only one of French 2205 or 2215.

[29] Credit will be allowed for only one of French 2207 or 2217.

[30] Credit for either Interior Design 1152 or 1153, but not both.

[31] Credit for either Interior Design 1250 or 1251, but not both.

[32] Any two will be equivalent to one Jr. REC option, up to a total of three options.

[33] Any two will be equivalent to REC 359 (3).

[34] Students cannot enroll in MATH 265 for credit.

[35] Credit will be granted for one of: Applied Math 1207 or Math 2251 and one of Applied Math 1209 or Math 2253.

[36] Students cannot enroll in MATH 266 for credit.

[37] Faculty of Engineering.

[38] Transfer credit is to be granted only for successful completion of the entire group of four courses at Mount Royal College, is applicable only for articulate students, and is conditional on successful completion of NURS 101 at The University of Calgary. Transfer credit will continue to be effective through 1986-8 unless significant changes occur in any of these courses listed from Mount Royal College or The University of Calgary.

[39] Recommend one unspecified elective credit for all combined.

[40] Recommend credit for one unspecified elective.

[41] Only 1 year of credit is transferable to the three-year Bachelor of Physical Education degree program at The University of Calgary. This one year of cred may include only one full-course equivalent (6 credit units) of activity courses, of which only a quarter-course equivalent (1.5 credit units) may be at th 300-level (advanced).

[42] Students who subsequently complete PHYS 234 at The University of Calgary may not also receive credit for either Physics 1235 or 1236 taken at Mour Royal College.

[43] Students who subsequently complete POLI 310 at The University of Calgary may not also receive credit for either Political Science 1309 or 1311 taken a Mount Royal College.

[44] Students cannot enroll in POLI 214 for credit.

[45] Students cannot enroll in POLI 309 for credit.

[46] No more than three half OPEN options (3 credit units each) may be applied towards Post-Basic Bachelor of Nursing degree program.

SENDING INSTITUTION	RECEIVING INSTITUTION			
MOUNT ROYAL COLLEGE	U OF A	U OF C	U OF L[1]	ATHABASCA UNIVERSITY[2]

[47] Three credit units will be allowed if this course was completed prior to 1984 when it carried a weight of 5 credit units at Mount Royal College. Six credit units will be allowed if the course was completed in 1984 or later when it carried a weight of 9 credit units at Mount Royal College.

[48] Students cannot enroll in PSYCH 228 for credit.

[49] No more than two half Jr. PSYC (3 credit units each) are transferable.

[50] Bachelor of Administration students cannot enroll in MATH 215 for credit.

[51] Letter required from Coordinator, Rehabilitation Services Program indicating that student has successfully completed one session of practicum placement in a vocational setting.

[52] Letter required from Coordinator, Rehabilitation Services Program indicating that student has successfully completed one session of practicum involvement.

[53] Letter required from Coordinator, Rehabilitation Services Program indicating that student has successfully completed one session of practicum placement in a residential setting.

[54] For admission to the Faculty of Education, a grade of "C" or better in EDTS 231 is required.

[1] Where unspecified credit is awarded, the student is responsible for ensuring that no duplication of course work occurs.

[2] Courses that are acceptable for transfer to one or more of the other 3 Alberta universities will be considered transferable to Athabasca University, if appropriate to the student's degree program, with the **exception** of 100-level courses, which will be considered for transfer on an individual basis or **and** Business Administration courses which are evaluated and added to this Guide under the terms of a specific arrangement.

[3] As ACCTG 353 has recently been split into ACCTG 351 (3) and 352 (3), transfer credit to be awarded is currently under review.

[4] No credit if student also presents ANTHR 275 or equivalent.

SENDING INSTITUTION	RECEIVING INSTITUTION			
RED DEER COLLEGE	U OF A	U OF C	U OF L[1]	ATHABASCA UNIVERSITY[2]

[5] Not accepted for credit towards the Bachelor of Fine Arts (Art), the Bachelor of Fine Arts (School Art), or the Bachelor of Art (Art History) degree programs at The University of Calgary.

[6] Credit approved only if student has also completed another 300-level studio course.

[7] Students with credit in either Botany 205 or Zoology 220 and without credit in Biology 200 will be required to complete BIOL 201 at The University of Calgary before any other major courses may be taken in the Department of Biology.

[8] Not accepted for credit towards a Bachelor of Commerce degree program at The University of Calgary.

[9] Students cannot enroll in ORGB 364 for credit.

[10] Credit towards degree requirements will be allowed for only one of Business Administration 111, Business 306/307, Psychology 309, or Statistics 241 or 255, whichever is most appropriate to the degree program.

[11] STAT 1770 waived for B.Mgt. students.

[12] May be used to meet the 3 Junior credit Computing Science core requirement on the Bachelor of Administration program.

[13] Bachelor of Administration students cannot enrol in MATH 215 for credit.

[14] Credit will be allowed for only one of Computing Science 214, 305, or 351 and only one of Computing Science 215 or 352.

[15] Double credit for Computing Science 272 and any one of MATH 271, CPSC 313 or CPSC 321 at The University of Calgary will not be permitted.

[16] Computing Science 315 is equivalent to the course context of CMPUT 330/335. Courses with CMPUT 330/335 as prerequisites will be open to students who have credit in Computing Science 315. However, students will be required to complete another 3 credit course to make up the difference in weight.

[17] All Drama and Music courses at Red Deer College are transferable only to the B.A. (General) and B.A. (Special) programs at The University of Alberta.

[18] A student wishing to enter U of A DRAMA 560 after credit in Red Deer College Drama 460 must submit a portfolio with a 30-minute radio play, stage play, film script, and video script for evaluation by Department of Drama.

[19] Credit will be allowed for only one of Economics 100 or 201 and only one of Economics 101 and 202.

[20] Students cannot enroll in ECON 247 for credit.

[21] Students cannot enroll in ECON 246 for credit.

[22] Will be considered as Administrative Studies option on the Bachelor of Administration Degree Program.

[23] Must include a minimum of 60 hours.

[24] Note general statement covering transfer of Education courses.

[25] For Education students only. The movement requirements may be waived.

[26] Students cannot enroll in PSYCO 228 for credit.

[27] Credit not granted if students have credit in ENGL 304, 305, 306 or 398.

[28] Credit will be allowed for only one of English 339 or 341/343.

[29] Not to do ENGL 350 or 351.

[30] Not to be taken by students with credit in ENGL 361 or 380.

[31] Not to be followed at U of A by ENGL 360.

[32] Transfer credit for Biology 130 and French 100 at The University of Calgary and for French 100 at The University of Lethbridge will be allowed only if the student does not also present the equivalent senior matriculation subject. These courses are not available for credit in the Faculty of Education at The University of Calgary.

[33] Not to do HIST 201 (6).

[35] Credit will be allowed for only one of Mathematics 202, 203 and 212.

[36] Credit will be allowed for only one of Mathematics 202, 203, 212 or 240.

[36] Credit will not be granted for both Mathematics 204 and 213.

[37] Faculty of Engineering courses.

[38] Credit will be allowed for only one of Mathematics 221 or 243.

[39] Not to be given transfer credit to B.Sc. programs in the Faculty of Science.

[40] Do not take MATH 3400.

[41] MUS 229/329A, 229/329B, 229/329C may each be repeated once for additional credit.

[42] Credit for MUSI 251 and 253 is dependent upon the outcome of the student's placement test and audition with The University of Calgary.

[43] PHIL 2120, 2130 or 3110 should not be taken at The University of Lethbridge except by special permission.

[44] Only one year of credit is transferable to the three-year Bachelor of Physical Education degree program at The University of Calgary. This one year of credit may include only one full-course or equivalent (6 credit units) of activity courses, of which only a quarter-course equivalent (1.5 credit units) may be at the 300-level (advanced).

[45] Credit will be allowed for PHED 263 (3) and a Jr. PHED option (3) if both Physical Education 201 and 206 completed.

SENDING INSTITUTION	RECEIVING INSTITUTION			
RED DEER COLLEGE	U OF A	U OF C	U OF L[1]	ATHABASCA UNIVERSITY[2]

[46] Credit will be allowed for only one of Physics 203 or 205. Transfer credit will be granted regardless of high school Physics background.

[47] The Faculty of Engineering will grant credit as listed above. For students transferring into other faculties, course equivalents appropriate to the student's program will be determined by the Faculty of Science.

[48] Course equivalents may vary depending on the student's program.

[49] Students cannot enrol in POLI 214 for credit.

[50] Not to do POL S 310 (6).

[51] Credit will be allowed for only one of Political Science 308/309 or 310.

[52] Letter required from Coordinator, Rehabilitation Services Program indicating that student has successfully completed a minimum of 104 hours of practicum placement in a family or residential setting.

[53] Letter required from Coordinator, Rehabilitation Services Program indicating that student has successfully completed a minimum of 104 hours of practicum placement in a vocational setting.

[54] Students cannot enrol in SOC 316 for credit.

[55] Not accepted for credit towards Bachelor of Commerce degree.

(Note: The following deals with **course by course** arrangements only. For **program** arrangements see pages 104 - 106.)

Effective academic year 1986/87 the format of instruction offered at NAIT will change from the present quarter system to a new semester system. This will affect primarily the rearrangement of course content and the corresponding course numbering. For details concerning revised course information and numbering, please contact the NAIT Registrar.

[1] Credit for either AT 110 or XAT 110 in Clothing and Textile Program, Faculty of Home Economics only.

[2] Minimum average of 65%. With no marks below 50%.

[3] Minimum mark of 65%.

[4] Minimum academic standing indicated relates to U. of A. course credit.

[5] Admission to the Bachelor of Commerce program is open to students transferring from related NAIT programs. There is a quota that limits the number of students to the B. Com. program each year. Prior academic performance in appropriate subjects (including Math 30 or equivalent) is the primary criterion used for the applicants to be admitted.

[6] Minimum average of 70%.

[7] As ACCTG 353 has been split into ACCTG 351 (3) and 352 (3), transfer credit to be awarded is currently under review.

[8] Do not take STAT 1770.

[9] Will be used as an Administrative Studies option on Bachelor of Administration Program.

SENDING INSTITUTION	RECEIVING INSTITUTION			
NORTHERN ALBERTA INSTITUTE OF TECHNOLOGY	U OF A	U OF C	U OF L	ATHABASCA UNIVERSITY

[10] Not available for credit towards the Bachelor of Commerce degree program at The University of Calgary.

[11] May be used to meet the 3 Junior credit Computing Science core requirement on Bachelor of Administration Program.

[12] Minimum mark of 70%.

[13] Credit in ½ Sr. CHEM to be granted for any three of this set.

[14] Challenge credit only if graduation from Dental Assisting is more than 24 months prior to enrolment in Dental Hygiene Program.

[15] Challenge credit opportunity available in D HYG 240.

[16] Not accepted for credit towards Bachelor of Commerce degree.

[17] Prerequisite of PHYSICS 205 to be cleared prior to granting credit.

[18] Prerequisite of GEOL 444 and 460 to be cleared prior to granting credit.

[19] Prerequisite of GEOL 420 or 421, 444 and 460 to be cleared prior to granting credit.

[20] Prerequisite of MATH 204 and PHYS 205 to be cleared prior to granting credit.

[21] Prerequisite of GEOL 330 to be cleared prior to granting credit.

[22] Prerequisite of GEOL 310 to be cleared prior to granting credit.

[1] In addition to submitting transcripts from SAIT, applicants to the U. of A. will also be required to submit a letter from SAIT recommending that advanced credits be awarded.

[2] Students cannot enrol in ACCTG 254 for credit.

[3] As ACCTG 353 has been split into ACCTG 351 (3) and 352 (3), transfer credit to be awarded is currently under review.

[4] Will be considered as Administrative Studies option on the Bachelor of Administration Program.

[5] May be used to meet the 3 Junior credit Computing Science core requirement on the Bachelor of Administration Program.

[6] Students cannot enrol in MATH 244 for credit.

[7] Not applicable for credit towards the Bachelor of Commerce degree program at The University of Calgary.

[8] Bachelor of Administration students cannot enrol in MATH 215 for credit.

SENDING INSTITUTION	RECEIVING INSTITUTION			
SOUTHERN ALBERTA INSTITUTE OF TECHNOLOGY	U OF A[1]	U OF C	U OF L	ATHABASCA UNIVERSITY

[9] Students cannot enrol in MKTG 398 for credit.

[10] Minimum average of "B".

[11] "L" indicates Laboratory course.

[12] See Dental Assisting Program page 108.

[13] Challenge credit opportunity available to SAIT graduates.

[14] Minimum mark of "B".

[15] Prerequisite of PHYS 205 to be cleared prior to granting credit.

[16] Prerequisite of GEOL 310 to be cleared prior to granting credit.

[17] Prerequisite of GEOL 420 or 421, 444 and 460 to be cleared prior to granting credit.

[18] Prerequisite of GEOL 444 and 460 to be cleared prior to granting credit.

[19] Prerequisite of GEOL 320 and 362 to be cleared prior to granting credit.

INTERNATIONAL BACCALAUREATE COURSES	**U OF A[1]**
Faculty of Arts[2]:	
Art & Design	Jr. ART H (except in B.F.A., B.A. [Special], B.A. [Honours] Art History programs)
Economics (higher level)	ECON 201/202
Economics (subsidiary)	Credit by Special Assessment only
English (higher level)	Jr. ENGL (at the 200-level)
Geography (higher level)	GEOG 230/231 or 250/251
Geography (subsidiary)	Jr. GEOG (specific course(s) to be decided on basis of IB examination(s) taken)
German (higher level)	Sr. GERM
German (subsidiary)	Sr. GERM (specific course(s) to be decided on basis of IB examination(s) taken)
History (higher level)[3]	Advanced Placement only
Latin (higher level)	LATIN 200
Latin (subsidiary)	LATIN 100 or LATIN 30 (for students who do not present another matriculation level language)
Romance Languages	
French, Italian, Spanish — higher and/or subsidiary level	Advanced Placement[4] or Credit by Special Assessment
Social Anthropology (higher level)	Sr. ANTHR (Social Anthropology area)
Faculty of Science[2] courses:	
Biology (higher level)[3]	Jr. BIOL
Chemistry (higher level)[3]	CHEM 200
Mathematics (higher level)[3]	Jr. MATH
Physics (higher level)[3]	Jr. PHYS

[1] In order to receive transfer credit for an IB course, the minimum acceptable grade is a "4".

[2] It is also the University's understanding that students applying for transfer of IB course credits will have met the admission requirements (i.e. matriculation) of the faculty of their choice.

[3] Subsidiary level courses in the above subjects will be considered to be equivalent to 30-level high school courses and, therefore, will satisfy University entrance requirements in these subjects. While University credit will not be granted for them on transfer, the option to challenge a University level course for credit is available to the student.

[4] Students given "Advanced Placement" would be admitted to a senior course after determination of their background qualifications for that course (interview, placement test, etc.). They may also "challenge" a junior or senior course for credit via the "Credit by Special Assessment" route if they have appropriate qualifications and are eligible within the regulations.

PROGRAM GUIDE — UNIVERSITY CREDIT

This subsection lists **program** transfer arrangements only (as distinct from **course** transfer equivalencies, as in the immediately preceding subsection).

SENDING INSTITUTION	RECEIVING INSTITUTION			
ALBERTA COLLEGE OF ART	**U OF A**	**U OF C**	**U OF L**	**ATHABASCA UNIVERSITY**
Alberta College of Art Diploma Program	Students transferring to the B.F.A. (Art & Design) Program who have completed the 3rd year or more of the A.C.A. diploma may, on presentation of a portfolio & recommendation from A.C.A., be granted up to 2 years advanced credit in appropriate "studio" courses. Students with less than three years are also eligible for advanced credit as determined by the Art Department upon submission of a portfolio. Students transferrring to the B.A. (General) or B.A. (Special) programs from A.C.A. may, on presentation of a portfolio & a recommendation from A.C.A. be granted up to five "studio" courses in advanced credit.	Graduates of the A.C.A. can be granted, upon submission of a portfolio to the Art Department, up to 2 years of advanced credit in Art course. Non-graduates are also eligible for advanced credit as determined by the Art Department upon submission of a portfolio. Applicants who have successfully completed a full first year of Art History with acceptable grades will be awarded advanced credit for Art 201/203 (Art History) (6).	Transfer credit is available depending upon individual assessment and degree program entered.	Transfer credit is available depending upon individual assessment and degree program entered.

[1] These programs at the universities have a restricted enrolment, so while a student may be admitted at the College to complete a portion of the program, his/her eventual admission to the University will be considered only if original admission criteria and academic standing within the program at the College are at the required level.

[2] Athabasca University's Bachelor of General Studies is an individualized study degree program. It does not have a residence requirement. It may be obtained with either a Liberal Studies or Applied Studies designation.

[3] Admission to the professional programs is dependent upon academic achievement in years of pre-professional study and, in some cases, on result in specified entrance tests normally written after two years of pre-professional study, e.g. MCAT (Medical College Admission Test).

[4] Only 5 core courses are available at Grande Prairie.

[5] Forkner or Speed writing only.

SENDING INSTITUTION	RECEIVING INSTITUTION

MEDICINE HAT COLLEGE[1, 2]	U OF A	U OF C	U OF L	ATHABASCA UNIVERSITY

[1] Medicine Hat College makes every effort to ensure the smooth transfer of students to other education institutions. We are in touch with The University of Calgary, The University of Alberta, The University of Lethbridge and Athabasca University on a regular basis regarding course and program changes. The University of Regina and the University of Saskatchewan are also contacted frequently to be sure that students from Saskatchewan can transfer from Medicine Hat College to the Saskatchewan Universities.
For further details on the university transfer programs offered at Medicine Hat College please refer to the 1986 - 87 Medicine Hat College calendar

[2] The following programs are transferable to the corresponding out-of-province institutions:

MEDICINE HAT	
Journalism & Communications	U of Regina - 1 or 2 years
Optometry	U of Waterloo - 1 year
Veterinary Medicine	U of Saskatchewan - 1 or 2 years

[3] Athabasca University's Bachelor of General Studies is an individualized study degree program. It does not have a residence requirement. It may be obtained with either a Liberal Studies or Applied Studies designation.

[4] Except OCCTH 206/207 which may be completed at The University of Alberta during Spring Session if available.

[5] University of Lethbridge Campus.

[6] Except SPA 280/281 which may be completed at The University of Alberta during Spring Session if available.

College Diploma - [Grade Point Average of 2.70 or better]	Credit given for up to 6 single-term courses in Agriculture. Course credits to be from 200- and 300-level courses in the Faculty of Agriculture and Forestry. Credit to be determined by the Dean on recommendation of student advisor for program student wishes to enter.	No credit as similar program not offered at The University of Calgary.	Individual assessment	Up to 30 applied credits, if applicable to the degree program, for complete acceptable two-year diploma program.

Pre-Medicine, Pre-Dentistry, Social Welfare	Students may register in appropriate Science (or in some cases Arts) program. Admission is limited, and application deadlines must be met. See U of A calendar for details of program and admission requirements. Red Deer College students are treated on the same basis as other applicants, i.e., no preference is given to University of Alberta students.	Students completing the two year Social Services program at Red Deer College and granted admission to The University of Calgary, will be awarded up to five full Junior Social Work courses. In addition , they may receive credit for up to five Arts and Science courses which are applicable to the degree and are indicated in this Transfer Guide.

[1] All programs listed under The University of Alberta were designed originally for transfer to that institution. For information about transfer to other institutions, and the conditions governing program transfer, students should consult the College registrar.

[2] The following programs are transferable to the corresponding out-of-province institutions:

RED DEER COLLEGE	
Pre-Chiropratic	Canadian Memorial Chiropractic College — 1st & 2nd years
Pre-Optometry (B.Sc.)	University of Waterloo — 1st year
Pre-Vet-Medicine (B.Sc.)	University of Saskatchewan — 1st & 2nd years.

[3] Athabasca University also offers a Bachelor of General Studies degree program. It is an individual study degree program. It does not have a residence requirement. It may be obtained with either a Liberal Studies or Applied Studies designation.

SENDING INSTITUTION	RECEIVING INSTITUTION			
NORTHERN ALBERTA INSTITUTE OF TECHNOLOGY	**U OF A**	**U OF C**	**U OF L**	**ATHABASCA UNIVERSITY**

(Note: The following deals with **program** arrangements only. For **course by course** arrangements see page 77.)

TECHNOLOGY PROGRAM		FACULTIES OF GENERAL STUDIES AND OF SCIENCE[1] Credit up to a maximum of five full-course equivalents depending on program and grades. Individual courses for which credit will be given must have a grade of at least 75%. In those cases in which a single University of Calgary credit is appropriate for two or more NAIT courses, the average grade in the relevant NAIT courses must be at least 75%. Normally, the cumulative GPA must be at least 75% also. In special cases, credit for individual courses will be given although the cumulative GPA is below 75%.		
ENGINEERING TECHNOLOGIES —Air Conditioning Eng Technology —Building Construction Eng Technology —Civil Eng Technology —Earth Resources Technology —Electrical Eng Technology —Electronics Eng Technology —Eng Design & Drafting Technology —Hydrocarbon Eng Technology —Instrumentation Eng Technology	FACULTY OF ENGINEERING[2] Up to one year credit for Honors Diploma & equivalent first year Math. FACULTY OF EDUCATION[5] Up to one year credit on B.Ed (Industrial Arts).	FACULTY OF MANAGEMENT See Course Guide section of this Guide.	FACULTY OF ARTS AND SCIENCE AND FACULTY OF EDUCATION Advanced standing available depending upon individual assessment and degree program entered.	Credit for these programs is available. Consult the Course Guide section of this Transfer Guide.

[1] Applicants may be required to submit a letter of recommendation from the appropriate NAIT Dean.

[2] While NAIT engineering technology courses are not directly equivalent to university engineering courses, the Faculty of Engineering is prepared to grant up to one year of credit to students of superior ability (Honours diploma). Normally the recommendation of the NAIT Dean, and a personal interview with The University of Alberta Dean of Engineering, are also required.

Students intending transfer must show competence in mathematics equivalent to University of Alberta MATH 212/213, before proceeding to the second year Engineering program.

[3] The Faculty of Engineering will grant the appropriate advanced standing to graduates of programs of technology provided that:
i) the applicant is admissible to the Faculty of Engineering.
ii) the applicant has an Honours Diploma.

[4] Students who have successfully completed a two-year science diploma at NAIT will be admitted by the Faculty of Science and granted up to one years' credit toward a related B.Sc. degree program. Prospective students should apply to the Office of The University of Alberta Dean of Science.

[5] Students who have successfully completed a two year diploma program in an appropriate area may receive advance standing toward a B.Ed. in Industrial Arts. Prospective candidates should consult with the Chairman, University of Alberta Department of Industrial and Vocational Education.

[6] There is a quota that limits the number of students admitted to the B.Comm. program each year. Prior academic performance in appropriate subject (including Math 30 or equivalent) is the primary criterion used to select the applicants to be admitted.

SENDING INSTITUTION	RECEIVING INSTITUTION			
SOUTHERN ALBERTA INSTITUTE OF TECHNOLOGY	**U OF A**	**U OF C**	**U OF L**	**ATHABASCA UNIVERSITY**

(Note - The following deals with **program** arrangements only. For **course by course** arrangements see page 81.)

TECHNOLOGY PROGRAMS		FACULTIES OF GENERAL STUDIES AND OF SCIENCE[1] Credit up to a maximum of five full-course equivalents depending on program and grades. Individual courses for which credit will be given must have a grade of at least "B". In those cases in which a single University of Calgary credit is appropriate for two or more SAIT courses, the average grade in the relevant SAIT courses must be at least 2.5. Normally, the cumulative GPA must be at least 2.5 also. In special cases, credit for individual courses will be given although the cumulative GPA is below 2.5.		
Engineering Technologies (see Note 2, paras a & b)	1 year credit for Honors Diploma[2]	FACULTY OF ENGINEERING[3] Amount of credit varies depending on program.	Individual assessment	Transfer credit is available depending upon individual assessment and degree program entered.
Aeronautical Engineering Technology Diploma	1 year credit to Engineering program with additional advance credit at discretion of Department.			
Chemical Technology	FACULTY OF SCIENCE Up to 1 full year credit for Chemistry specialization.			
Engineering Science (Earth Sciences-Geophysics Major) Diploma	1 year credit on a B.Sc. Geology Program.			

SENDING INSTITUTION	RECEIVING INSTITUTION			
SOUTHERN ALBERTA INSTITUTE OF TECHNOLOGY	**U OF A**	**U OF C**	**U OF L**	**ATHABASCA UNIVERSITY**
Medical Laboratory			Individual assessment	
Petroleum Technology (see Note 2, para c)	2 years credit toward Petroleum Engineering option.			
Petroleum Technology	1½ years credit toward a 4-year Geology degree.			
Technology Diploma	1 year credit proposed on B.Ed. (Industrial Arts) Plan G[4].			
Dental Assisting Program	Various aspects of the full program 132, 233/333, 262/362 and 131/231 equivalent to Dental Hygiene 210 (5). See page 82 of this Guide for further course equivalences.			

[1] In addition to submitting transcripts from SAIT, applicants may be required to submit a letter from SAIT recommending that advanced credits be awarded.

[2] a. A student who has an Honors Diploma in one of the engineering technologies may be granted up to one year of credit by the Faculty of Engineering, The University of Alberta, subject to the following:

i) In a branch of engineering where his technology diploma is considered as appropriate background education, the student must show competence in mathematics equivalent to that of MATH 212/213 or else gain credit in MATH 212/213 in the 3rd and 4th terms.

ii) In a branch of engineering where his technology diploma is not considered as appropriate background education, the student may have to show competence in, or gain credit in, either first and/or second term courses in addition to mathematics.

b. In exceptional cases a student who has a Diploma, but not an Honors Diploma in one of the engineering technologies of SAIT, may be considered for admission to the third term on the same basis as a student with an Honors Diploma when so recommended by the Academic Vice-President of SAIT. Advanced credit in individual subjects may be granted on the basis of the recommendation of The University of Alberta department offering the course.

c. Petroleum Technology Graduates: A student who has qualified for a Diploma in Petroleum Technology may be granted two-year credit by The University of Alberta in the Petroleum Engineering option subject to the following conditions:

i) The student completes the equivalent of MATH 212/213.

ii) The student obtains a 3.25 G.P.A. in second year.

iii) The student works one year before attending The University of Alberta.

iv) The Petroleum Department recommends the student.

[3] Faculty of Engineering, University of Calgary, will grant appropriate credits to graduates of programs of technology provided that:

i) The applicant is admissible to the Faculty of Engineering or is recommended by SAIT.

ii) The applicant's cumulative GPA is a minimum of 2.5.

[4] Graduates of most two-year diploma programs who receive GPA's of 2.5 may receive credit toward a B.Ed. Degree in Industrial Arts. The prospective candidate should consult with the Chairman, Department of Industrial and Vocational Education.

III. PUBLIC SENDING INSTITUTIONS — NON-UNIVERSITY CREDIT

REGULATIONS OF RECEIVING INSTITUTIONS 110

PROGRAM GUIDE 115

- AVC Grouard 115
- AVC Lac La Biche 116
- Fairview College 118
- Lakeland College 119
- Lethbridge Community College 121
- Medicine Hat College 122
- Red Deer College 124
- Southern Alberta Institute of Technology 125

REGULATIONS OF RECEIVING INSTITUTIONS

The following statements have been provided directly by institutions. Other specific institutional regulations are included in the respective institutional calendars.

AVC Lac La Biche

The entrance requirements for each AVC Lac la Biche program are outlined in the calendar. Generally though, all applicants must be 18 years of age (or 17 years of age and out of school for at least one year) or hold a high school diploma. In specific program areas, past work and personal experience will be considered for admission. Applicants will then be required to take appropriate testing. A student who lacks academic qualifications for admission to AVC career programs (or other post-secondary institutions) may prepare for the program by enrolling in the Adult Basic Education/Academic Upgrading program.

Fairview College

A. Admission Regulations
Entrance requirements for each Fairview College program are outlined in the detailed program selections of the College Calendar. Applicants who do not possess the minimum admission requirements but are at least 18 years of age, have been out of school for at least one year and have personal or work experience relative to the intended program of study may be admitted on Adult Status. Applicants may be required to take skill appraisal examinations.

B. Advanced Credit
Advanced credit may be granted in some courses at Fairview College. Requests for advanced credit must be received before the beginning of the session in which the course is presented and must be approved by the Department Head. Official transcripts must be submitted in support of all requests for advanced credit.

Grande Prairie Regional College

A. Admission Regulations, General
1. High School diploma, or
2. Age of 18 years or older

Either of the above will secure admission to the College, but not necessarily direct entrance to the desired program. An applicant deficient in pre-requisites for a specific program will be admitted to an appropriate academic development or combined program.

B. Transfer Credit Regulations
Advance credit may be granted for studies completed at accredited post-secondary institutions so far as the courses completed are suitable to the program in which the candidate is enrolling, and in keeping with the academic regulations of the instructional division/department concerned. Official transcripts must be provide by the applicant. Direct inquiries to the Registrar.

C. Challenge Credit
In some courses an applicant may obtain credit by successfully challenging an examination set by the department concerned. Application must be made through the Office of the Registrar.

Grant MacEwan Community College

A. Admission Regulations
Applicants to Grant MacEwan Community College must meet either Regular Admission Requirements (possess an Alberta high school diploma or its equivalent) or Mature Admission Requirement (be 18 years of age or over and out of school for at least one year). Certain programs have modified age requirements, and Nursing requires

successful completion of a selected range of grade XII course. All applicants must complete an appraisal of their writing and reading skills (for some programs, other skills as well) to ensure that they are equipped for College programs.

B. Transfer Credit Regulations
   1. Any student who at the post-secondary level has completed the equivalent of a subject offered by Grant MacEwan Community College may request transfer credit in that subject.
   2. Transfer credit may be given for experience in a particular field.
   3. Transfer credit shall not normally exceed 50% of the total credits required for graduation from any certificate or diploma program at Grant MacEwan Community College.

Keyano College

1. Advance credit may be granted to applicants who have completed equivalent studies at an accredited post-secondary Canadian institution.
2. For advanced credit consideration, applicants must submit and complete and official transcripts of their total post-secondary training. See College Calendar.
3. The appropriate Department Head within Keyano College will determine the credit to be granted and advise the Registrar. The Registrar will communicate with the applicant.
4. Advance credits are awarded only to the extent that they fit the program in which the applicant is enrolling, and are valid only if the student completes at least half the program at Keyano College.
5. All transfer of credit shall be governed by the applicable Academic Regulations.

Lakeland College

Students who have pursued a course of studies at another post-secondary institution may apply for a transfer of credits to the program they are enrolling in at Lakeland College.
Students wishing to obtain such credit (OR Alberta High School Credit for vocational, technical and special courses) SHOULD CONSULT WITH THE REGISTRAR WHEN REGISTERING FOR THE FIRST SEMINAR OR ANY PROGRAM AT THE COLLEGE.

1. Students with average or better standing in any equivalent subject (post-secondary level) may be awarded advance credits in the appropriate subject(s).
2. Advance credits will be applied directly to Lakeland College credit requirements needed for graduation provided the student completes at least half the program at Lakeland College.
3. Students who have a particular skill or body of knowledge due to previous study or experience may request a comprehensive challenge examination. If successful, credit for equivalent subjects offered by Lakeland College will be granted.

Lethbridge Community College

1. Transfer credit shall be treated as advance credit, and shall be governed by the applicable Academic Regulations.
2. For advance credit considerations, applicants for admission to Lethbridge Community College must submit official transcripts of their total post-secondary achievement.
3. In general, advance credit will be granted for transfer courses which are counterparts of and equivalent to courses at Lethbridge Community College relevant to the program for which the student enrolls. Credit may NOT be given for courses completed seven or more years prior to the date when credit is posted.
4. Grades for transfer courses are not posted to the student's record at Lethbridge Community College, therefore do not contribute to the student's academic standing while at Lethbridge Community College.
5. Only courses with an equivalent of "C" grade or better will be considered for transfer credit.
6. Advance credit shall not exceed 50% of the total credits required for graduation from any certificate or diploma program at Lethbridge Community College.
7. Advance credit is valid only if a student enrolls and completes at least one session at Lethbridge Community College.

8. Notwithstanding item 3 above, transfer credit will not be granted for courses in Nursing per se, completed more than 5 years prior to the date when a student is admitted to continue the Nursing Program.
9. (a) Applicants to Agricultural Technology who have a Bachelor's Degree or a Diploma in Agriculture in a related field of study may be given credit for Year 1 of the program subject to evaluation of transfer credit.
   (b) Applicants to Agricultural Technology with a Diploma from another program or an unrelated Bachelor's Degree or extensive background in Agriculture, may be permitted to take Year 2 and receive a Certificate after successful completion of a Year 2 specialization.

Medicine Hat College

A. Admission Regulations

Admission to Medicine Hat College depends upon successfully meeting the admission requirements which differ with the various programs. Specific admission requirements are clearly outlined in the College Calendar. Nursing, Early Childhood Development and Travel Consultant programs all require personal interviews before final selection.

B. Challenge for Credit

In a limited number of courses, a student may obtain credit by successfully challenging a demanding examination, set by the department concerned. Application must be made through the Office of the Registrar.

C. Advanced Credit Policy

1. Advanced credit may be granted for courses completed at public universities, colleges and technical institutes in Canada and in the United States. Assessment will be on an individual basis and will depend upon the accreditation of the sending institution.
2. Advanced credit is only granted for Medicine Hat College certificate and diploma programs.
3. Medicine Hat College will accept only those courses for advanced credit with a grade of "C" or better.
4. Under normal circumstances no advanced credit will be granted for course work completed more than 10 years prior to the date on which advanced credit is requested.
5. No more than 10 semester courses or 30 semester hours of advanced credit will be granted towards a Medicine Hat College two year diploma.
6. No more than 5 semester courses or 15 semester hours of advanced credit will be granted towards a Medicine Hat College one year certificate.
7. All advanced credit decisions will be coordinated through Student Services. The Registrar and/or the Registration Officer and the appropriate Department Head will discuss and make decisions on advanced credit based upon institutional policy.

Mount Royal College

A. Admission Regulations

Applicants seeking admission to diploma and certificate programs must possess the equivalent of an Alberta High School diploma or have left high school and be 18 years of age or older by the last day of the semester to which they are admitted.

Due to the range and depth of materials covered, students may be required to complete additional admission requirements for admission to specific programs. Details on admission requirements for individual programs may be found in the College calendar.

B. Transfer Credit Regulations

1. Mount Royal College may grant credit for work completed at an accredited post-secondary educational institution. Only courses completed (at post-secondary institutions other than The University of Calgary) with an equivalent of "C" grade or better, in subjects equivalent to current offerings at Mount Royal College will be considered.
2. Mount Royal College will accept for advanced credit, the same grades from The University of Calgary as The University of Calgary will accept from Mount Royal College. Advanced credit for more than one course from The University of Calgary will be granted only if the GPA of all courses to be transferred to Mount Royal College is greater than or equal to 2.0.

3. Specific advanced credit granted will be based on the evaluation of documents provided by the applicant. Documents are official transcripts, course outlines, course descriptions, list of textbooks used, etc.
4. The decision regarding equivalency will be at the discretion of the Registrar acting on the advice of the Department Chairman concerned.
5. The amount of advanced credit given is limited by the College residence requirement which states that the last 50 percent of the work completed toward the award of a Mount Royal College parchment must be completed at the College, except where prior written approval has been given by the Dean of the appropriate faculty.
6. Advanced credit will not be given for course work completed six years prior to the date on which advanced credit is requested.
7. Advanced credit will not normally be given for courses which duplicate in content a course previously completed.
8. Advanced credits are awarded only to the extent that they fit the program in which the student is enrolling.
9. Applicants are routinely asked to report prior post-secondary experience.
10. Challenge Credit: Applicants may gain credit in any introductory level college course by successfully challenging an examination set by the department concerned. Applications for credit by examination must be made through the Office of the Registrar and Director of Admissions.

Olds College

A. Admission Regulations
Admission requirements at Olds College vary by program and are specified in the College Calendar.

B. Advanced Standing/Advanced Placement Regulations
1. Applicants who have been accepted into an Olds College program may be granted recognition for courses successfully completed at another accredited post-secondary institution no later than 5 years prior to admission to the program in two ways:
   — Advanced Standing—students are granted credit for previous course work equivalent to courses offered by Olds College as relates to their program.
   — Advanced Placement—students are exempted from courses offered by Olds College as part of their program but must substitute other courses to complete graduation requirements.
2. Only courses in which the applicant has achieved a minimum grade of "B" or "70%" or "6" on a 9-point system or "3" on a 4-point system will be considered.
3. In general, advanced standing will be granted for courses which are equivalent to offerings at Olds College and are applicable to the applicant's program.
4. The decision regarding equivalence will be at the discretion of the Registrar acting on the advice of the Dean concerned.
5. Applicants are required to submit official transcripts from the sending institution along with an Application for Advanced Standing and may be required to submit course outlines and other appropriate documents for evaluation purposes.
6. Grades for advanced standing courses are not recorded on the applicant's Olds College transcript.
7. The amount of advanced standing is limited by the College's residency policy.
8. The Registrar will notify applicants in writing of the decision regarding their Application for Advanced Standing.

C. Challenge Examination Regulations
1. Applicants who have been accepted into an Olds College program may be granted credit for acquired knowledge or skills which is relevant to the content of a course offered by Olds College by requesting and successfully passing a challenge examination.
2. Applicants must be registered in the course challenged, apply to challenge prior to a specified deadline for doing so and pay a specified fee.
3. Challenge examinations are not permitted for the purpose of raising a grade.
4. Grades for courses successfully challenged by examination are recorded on the applicant's Olds College transcript.

Red Deer College

Red Deer College awards advanced credit, in consultation with the sending institution, to students transferring from other post-secondary institutions. The advanced credit is awarded on an individual basis, and is dependent upon the courses completed and the program into which the student is transferrring.

Northern Alberta Institute of Technology

A. General

1. Transfer credit shall be treated as advance credit, and shall be governed by the applicable Academic Regulations.
2. All applicants for admission to NAIT, shall be asked to submit transcripts of their total academic experience, including previous post-secondary training, for the purpose of (a) advance credit considerations, (b) more effective counselling, and (c) accumulation of student demographic information to enable NAIT to respond more appropriately to its varied clientele.
3. The specific transfer credit allowed shall be based upon individual consideration by the Department Chairman/Program Head.
4. The Registrar and the student shall be advised of the specific credit allowed for each student, and the basis for such decision as determined by the Department Head.
5. The Registrar shall then advise transfer credit provisions to all applicants reporting prior post-secondary experience.

Southern Alberta Institute of Technology

1. Advance credit will be granted to applicants who have completed equivalent education at an Alberta post-secondary institution or other Canadian institution.
2. The applicant must request advance credit and submit a complete transcript of marks indicating the subjects taken, the hours for both theory and laboratory, and the grade attained.
3. The subject Department Head will evaluate the transcript and determine the credit to be granted and advise the Registrar. The Registrar will advise the applicant of the credit granted. It is the applicant's responsibility to ensure that the necessary paper work is completed.
4. There is no charge for advance credits granted for subjects taken in Alberta post-secondary institutions but a fee of $5.00 per subject is charged for subjects completed at other than Alberta institutions.
5. A student must be enrolled at SAIT for one complete academic year to qualify for diploma.
6. The credit granted by a subject Department Head applies to a particular program and does not necessarily apply if the applicant changes programs.

PROGRAM GUIDE — NON-UNIVERSITY CREDIT

This subsection lists program transfer arrangements among non-university institutions.

SENDING INSTITUTION	RECEIVING INSTITUTION
AVC GROUARD	**NAIT**[1]
Business Administration Program	1. Transfer Credit and Application Procedures a) Students who have successfully completed all courses of the AVC Grouard transfer program, will be granted credit for Year One and will be accepted into Year Two of the NAIT program. b) All transfer students must complete a regular NAIT Application Form. This form with an AVC Grouard Year One transcript of marks attached should be forwarded to the NAIT Registrar following completion of Year One at AVC Grouard. c) Students who do not successfully complete all courses in the AVC Grouard program may be accepted into the NAIT programs as special students. AVC Grouard should provide a written recommendation regarding such students in conjunction with the application form and transcript of marks. The NAIT Department Chairman may require a personal interview prior to final acceptance of these students. 2. Entry into a specific Option in the second year for all students, may be subject to quota limitations as dictated by class capacity. 3. Honours standing AVC Grouard students will be eligible to receive a NAIT Honours Diploma under the same conditions applicable to all graduate students of NAIT programs. 4. Bursaries and Awards Transfer students: (a) will not be eligible for bursaries and awards presently available to students completing Year One at NAIT (b) will be eligible for all bursaries and awards which may be available to students completing Year Two of the NAIT program.

[1] Effective academic year 1986/87 the format of instruction offered at NAIT will change from the present quarter system to a new semester system. This will affect primarily the rearrangement of course content and the corresponding course numbering. For details concerning revised course information and numbering, please contact the NAIT registrar.

SENDING INSTITUTION	RECEIVING INSTITUTION
AVC LAC LA BICHE	**NAIT**
Business Administration Program	1. Transfer Credit and Application Procedures (a) Students who have successfully completed all courses of the AVC Lac La Biche transfer program, will be granted credit for Year One and will be accepted into Year Two of the NAIT program. (b) All transfer students must complete a regular NAIT Application Form. This form with an AVC Lac La Biche Year One transcript of marks attached should be forwarded to the NAIT Registrar following completion of Year One at AVC Lac La Biche. (c) Students who do not successfully complete all courses in the AVC Lac La Biche program may be accepted into the NAIT programs as special students. AVC Lac la Biche should provide a written recommendation regarding such students in conjunction with the application form and transcript of marks. The NAIT Department Chairman may require a personal interview prior to final acceptance of these students. 2. Entry into a specific Option in the second year for all students, may be subject to quota limitations as dictated by class capacity. 3. Honours standing AVC Lac La Biche students will be eligible to receive a NAIT Honours Diploma under the same conditions applicable to all graduate students of NAIT programs. 4. Bursaries and Awards Transfer students: (a) will **not** be eligible for bursaries and awards presently available to students completing Year One at NAIT (b) **will** be eligible for all bursaries and awards which may be available to students completing Year Two of the NAIT program.
Commercial Cooking	Transfer Credit and Application Procedures (a) Students who have successfully completed all courses of the AVC Lac La Biche transfer program, will be granted credit for Year One and will be accepted into Year Two of the NAIT program

SENDING INSTITUTION	RECEIVING INSTITUTION
AVC LAC LA BICHE	NAIT[1]

b) All transfer students must complete a regular NAIT Application Form. This form with an AVC Lac La Biche Year One transcript of marks attached should be forwarded to the NAIT Registrar following completion of Year One at AVC Lac La Biche.

[1] Effective academic year 1986/87 the format of instruction offered at NAIT will change from the present quarter system to a new semester system. This will affect primarily the rearrangement of course content and the corresponding course numbering. For details concerning revised course information and numbering, please contact the NAIT registrar.

High School Equivalency	Fairview College High School Equivalency graduates are eligible for admission into the NAIT programs on the same basis as NAIT Pre-Technology graduates. Consult the NAIT Registrar for further information.	
English 311/312, Physics 341/342, Mathematics 301/302		Students who successfully complete these courses will be eligible for admission to any SAIT program which specifies the Pre-Careers program as a prerequisite. Applicants to the Chemical Technology or Chemical Engineering Technology programs may also require Chemistry 331 and 332.

[1] Effective academic year 1986/87 the format of instruction offered at NAIT will change from the present quarter system to a new semester system. This will affect primarily the rearrangement of course content and the corresponding course numbering. For details concerning revised course information and numbering, please contact the NAIT registrar.

SENDING INSTITUTION	RECEIVING INSTITUTION	
LAKELAND COLLEGE	**NAIT[1]**	**SAIT**
High School Equivalency	Lakeland College High School Equivalency graduates are eligible for admission into the NAIT programs on the same basis as NAIT Pre-Technology graduates. Consult Registrar, NAIT for further information.	
Drafting Technology	1. Transfer Credit and Application Procedures (a) Students who have successfully completed all courses of the Lakeland College transfer program, will have earned credit for Year One and will be accepted into Year Two of the NAIT program. (b) All transfer students must complete a regular NAIT Application Form. This form with a Lakeland College Year One transcript of marks attached should be forwarded to the NAIT Registrar following completion of Year One. (c) Students who do not successfully complete all courses in the Lakeland College program may be accepted into the NAIT programs as special students. Lakeland College should provide a written recommendation regarding such students in conjunction with the application form and transcription of marks. The NAIT Department Chairman may require a personal interview prior to final acceptance. 2. Honours Standing Lakeland College transfer students will be eligible to receive a NAIT Honours Diploma under the same conditions applicable to all graduate students of NAIT program. 3. Bursaries and Awards Transfer students: (a) will not be eligible for bursaries and awards presently available to students completing Year One at NAIT (b) will be eligible for all bursaries and awards which may be available to students completing Year Two of the NAIT program.	

SENDING INSTITUTION	RECEIVING INSTITUTION	
LAKELAND COLLEGE	**NAIT[1]**	**SAIT**
Library and Information Technology		Will accept graduates of these courses as equivalent to the following SAIT Library and Information Technology courses.
CO 120 Communications		ENGL 121 Writing Fundamentals
CO 220 Oral Communications		ENGL 143 Introductory Speech
CU 141 Introduction to Microcomputing		CT 124 Introduction to Computing
MU 263 Introduction to Local Government		LIT 170 Canadian Government
SA 122 Typewriting I (Min 30 WPM)		SALT 100 Keyboarding I
SA 122 Typewriting I (Min 34 WPM) [Demonstrated Proficiency at Typing Library Forms]		SALT 210 Keyboarding II
SA 154 Office Procedures I		SALT 041 Office Procedures

[1] Effective academic year 1986/87 the format of instruction offered at NAIT will change from the present quarter system to a new semester system. This will affect primarily the rearrangement of course content and the corresponding course numbering. For details concerning revised course information and numbering, please contact the NAIT registrar.

SENDING INSTITUTION	RECEIVING INSTITUTION
LETHBRIDGE COMMUNITY COLLEGE	**SAIT**
Drafting Technology	Graduates of the first-year Drafting Technology program at Lethbridge Community College may transfer to the Engineering Drafting Technology program at SAIT and may be allowed to enroll in the fourth quarter of the program, if space is available.
Electronics Technology	Graduates of the first-year Electronics Technology program at Lethbridge Community College may transfer to the second year of Broadcasting and Industrial Electronics programs at SAIT, if space is available.

SENDING INSTITUTION	RECEIVING INSTITUTION		
MEDICINE HAT COLLEGE	**SAIT**	**OLDS COLLEGE**	**FAIRVIEW COLLEGE**
Computer Science Software Engineering	Students who have completed the first year of the Computer Science Software Engineering program at Medicine Hat College may be admitted to the second year of the Computer Technology program at SAIT.		
Computer Aided Drafting Technology	Students who have completed the first year Computer Aided Drafting Technology program at Medicine Hat College may transfer to the Engineering Drafting Technology program either at SAIT or Lethbridge Community College.		
Engineering Science Technology	Medicine Hat College offers the first year of SAIT's Engineering Science Technology. Students successfully completing this Medicine Hat College program may transfer to SAIT for their second and final year.

RED DEER COLLEGE	**NAIT**
Biological Sciences Technology[1], Chemical Technology[2], Engineering Design and Drafting Technology	1. Transfer Credit and Application Procedures (a) Students who have successfully completed all courses of the Red Deer College Year One Program and will be accepted into Year Two of the NAIT program. (b) All transfer students must complete a regular NAIT Application Form. This form with a Red Deer College Year One transcript of marks attached should be forwarded to the NAIT Registrar following completion of Year One at Red Deer College. (c) Students who do not successfully complete all courses in the Red Deer College program may be accepted into the NAIT programs as special students. Red Deer College should provide a written recommendation regarding such students in conjunction with the application form and transcript of marks. The respective NAIT Department Chairman may require a personal interview prior to final acceptance of these students. 2. Entry into a specific Option in the second year for all students, may be subject to quota limitations as dictated by class capacity. 3. Honours Diploma Red Deer College transfer students will be eligible to receive a NAIT Honours Diploma under the same conditions applicable to all graduate students of NAIT programs. 4. Bursaries and Awards Transfer students: (a) will **not** be eligible for bursaries and awards presently available to students completing Year One at NAIT (b) **will** be eligible for all bursaries and awards which may be available to students completing Year Two of the NAIT programs.

[1] Students entering the Ecology option shall make up a deficiency in specific Physical Education courses during Year Two.

[2] Full credit for Year One is available to students who have successfully completed all courses of the Red Deer College Modified Transfer Program which includes an additional twenty day instructional period (extending into the month of May). A minor deficiency in Chemistry 233 will be timetabled in Year Two, Quarter Four.

SENDING INSTITUTION	RECEIVING INSTITUTION
SOUTHERN ALBERTA INSTITUTE OF TECHNOLOGY	**NAIT**
Health Record Technician Program	Health Record Technology Program 1. Transfer Credit and Application Procedures (a) Students who have successfully completed all courses of the SAIT Health Record Technician Program, will be granted credit for Year One and will be accepted into Year Two of the NAIT program. (b) All transfer students must complete a regular NAIT Application Form. This form with the SAIT transcript of marks attached should be forwarded to the NAIT Registrar following completion of the SAIT program. (c) Students who do not successfully complete all courses in the SAIT program may be accepted into the NAIT programs as special students. A written recommendation from the SAIT Department Head should accompany the application. The NAIT Department Chairman may require a personal interview prior to final acceptance of these students. 2. Entry into the second year for all students, may be subject to quota limitations as dictated by class capacity. 3. Honours standing SAIT students will be eligible to receive a NAIT Honours Diploma under the same conditions applicable to all graduate students of NAIT programs. 4. Bursaries and Awards Transfer students: (a) will **not** be eligible for bursaries and awards presently available to students completing Year One at NAIT (b) **will** be eligible for all bursaries and awards which may be available to students completing Year Two of the NAIT programs.

IV. PRIVATE SENDING INSTITUTIONS — UNIVERSITY CREDIT

The following institutions, by virtue of affiliation agreements with The University of Alberta, offer many courses in indentical number, name and content with those of the latter institution. These courses, together with their transfer credit values, are listed below. In a few instances (specifically noted) the name of the corresponding University course may differ slightly, or its transfer credit value may be partial, optional, or generalized.

* EXCEPT WHERE OTHERWISE NOTED BY A FOOTNOTE, ALL COURSE NUMBERS FOR COURSES LISTED UNDER THE PRIVATE COLLEGES ARE THE SAME AS UNIVERSITY OF ALBERTA COURSE EQUIVALENT NUMBERS.

CAMROSE LUTHERAN COLLEGE

NOTE: The following deals with Camrose Lutheran College as a sending institution. For information regarding Camrose Lutheran College as a receiving institution for transfer students seeking to complete a liberal arts degree program, see page 11 of this Guide.

V. COUNCIL PRINCIPLES, POLICIES AND PROCEDURES

I. CONTEXT

1. Role and Composition

The primary goal of the Alberta Council on Admissions and Transfer is the provision of leadership and direction in the improvement and enlargement of education opportunity for Alberta students through inter-institutional transfer. Implicit in this goal is a commitment to improve communication among institutions of the Alberta post-secondary system — and thus to promote the advantages of a "system" of education, with all that this means for economy and efficiency in educational planning.

In the fulfillment of its role, the Council is engaged in the following activities:

(a) **leadership** — including the development and formulation of policies and procedures whereby transfer credit for courses and programs may be negotiated.

(b) **publication** — primarily the production and distribution of a yearly Transfer Guide listing all transfer credit arrangements for courses and programs within the Alberta post-secondary system, together with statements of relevant policies and procedures, and other documents such as an Annual Report and a counselling brochure entitled "What About Transfer?"

(c) **mediation** — as requested by institutions within the system, to resolve complaints or disputes concerning transfer arrangements and credits, and thus to ensure that the best interests of students are served.

(d) **applied research** — on matters related to the transfer of students throughout the system e.g. Transfer Patterns Study.

Council members are appointed by the Minister as follows:

from the universities: four representatives (one nominated from each university),
from the colleges: four representatives (nominated by the Council of College Presidents),
from the technical institutes: two representatives (nominated by NAIT and SAIT),
from the vocational centres: one representative (nominated by these institutions),
a chairman and an executive secretary.

The Council meets usually on a bi-monthly basis generally at institutions.

2. Overview of the system

The Council's activities are directed primarily towards the Alberta post-secondary system, which includes four universities, ten public colleges, three institutes of technology, four vocational centres, the Banff Centre, as well as private affiliated colleges (see chart, p. 135). There are, in addition, a number of private non-affiliated colleges — some of which may offer courses which have transfer potential. Although the Council's mandate is directed towards the Alberta post-secondary system, the Council is sensitive to student transferability involving institutions outside of the province. For this reason the Transfer Guide is distributed broadly across Canada as well as in the United States.

4. The King's
   College

(Note: there are a number of private non-affiliated colleges throughout the province, some of which may offer courses which are transferable.)

[1] Other provincially administered institutions include various Community Vocational Centres and the Alberta Petroleum Industry Training Centre.

3. Types of transfer

Within the system of post-secondary institutions, transfer of credit for courses or programs may occur among institutions of different types (i.e. from a vocational centre to a college). In the negotiation of transfer arrangements among institutions, the Council recognizes the following major types:

(a) among universities
(b) between universities and the non-university sector
(c) among non-university institutions
(d) from private colleges to universities
(e) from private colleges to non-university institutions.

4. Definition of terms

In dealing with matters related to transfer, there are several commonly used terms which may require clarification. Some of the more important are:

Accessibility: the degree of openness of institutions to students seeking admission to their programs.
Transferability: the mobility of students among post-secondary institutions by virtue of their having transfer credit (see below).
Advance credit: the award of credit in given courses or programs on the basis of formal and informal learning experiences including: 1) work experience, 2) maturity/life experience, 3) unstructured educational experiences such as self-study, 4) structured educational activity.
Transfer credit: an advance credit awarded on the basis of successful completion of structured educational activities at a post-secondary institution.
Receiving institution: an institution to which students transfer course or program credits acquired at another institution.
Sending institution: an institution from which students may transfer course or program credits to programs at another institution.
Transferable courses: courses developed by an institution to meet its own program objectives but which have transfer potential. Transfer may be negotiated either on the basis of equivalence or of relevance to programs or courses at another institution. (See page 137.)
Transfer courses: courses delivered by a sending institution as courses which correspond in description to courses of a particular receiving institution. (See page 138.)
Selection criteria: categories of qualification, capabilities, or experience (academic or other) which provide the basis for screening and admission (or rejection) of students to programs.
Affiliation: a formal agreement of association or co-operation between two institutions whereby courses and programs offered by the sending institution are substantially the same as those offered by the receiving institution. Transfer credit is therefore awarded. No formal affiliation agreements currently exist except those between four private colleges and The University of Alberta.

II. PRINCIPLES

The Council endorses the following as basic to its purpose and activities:

(a) **Student access to higher education and the opportunity for student mobility among institutions of higher education in Alberta shall be optimized.**
Barriers to student mobility shall be minimized. The integrity of education programs and certification must, however, be maintained. A student should not be required to repeat previous learning experiences in which he has demonstrated competence nor should he be granted more transfer credit than his previous learning experiences would warrant for successful completion of a program.

(b) **Negotiation of opportunities for student mobility shall be based on the recognition that while learning experiences *may differ in a variety of ways*, their substance may be virtually equivalent in terms of content and rigour.**
Insofar as possible, transfer arrangements should allow for maximum recognition of previous learning experiences. The concept of **virtual equivalence** is vital to such arrangements.

(c) **Effective career counselling and optimum mobility require that the student have prior knowledge of at least the minimum transfer credit which he can be awarded. Additional transfer credit may be negotiable on an individual basis.**

(d) **Although responsibility for higher education is shared among various constituents, individual institutions have the primary responsibility for instructional programs. This responsibility includes program design and delivery, determination of academic prerequisites and student admission criteria, and certification of the academic achievement of students.**
In respect of student access to institutions and programs, it is to be emphasized that factors in addition to academic prerequisites often are employed as admission criteria. That is, while possession of academic prerequisites makes an applicant eligible for admission, it does not **guarantee** admission to an institution or to a particular program.

(e) **Institutions have the responsibility and the prerogative to investigate the total educational preparation of applicants seeking admission.**
Such investigation is intended to determine admissibility and appropriate transfer credit, and to counsel applicants. The relevance and quality of the applicant's most recent educational experiences should be the basis for admissibility and for transfer credit decisions. Differences in earlier preparation should not adversely affect consideration of the applicant (see Principle "b" re **virtual equivalence**).

(f) **Students who are granted admission to an institution under a transfer arrangement shall be granted the same rights and privileges as students who began their studies at the institution.**

III. A POLICY FOR ADMISSION AND TRANSFER OF CREDIT AMONG ALBERTA POST-SECONDARY INSTITUTIONS

1. Admission

Admission to a course or program will be granted to any applicant who has fulfilled the admission requirements for such course or program as established by the receiving institution. Where selection procedures are involved in admission to a program, each applicant shall be treated on the same basis as any other person seeking admission to that program.

2. Transfer of credits

Subject to the above requirements there shall be two major transfer arrangements. The Council on Admissions and Transfer will publish annually a Provincial Transfer Guide listing credit equivalencies including both types of transfer arrangement.

A. Transferable courses and programs:
These are developed by a sending institution to meet its own programs and objectives, and bear its own numbers and descriptions. Transfer may be negotiated either on the basis of equivalence, or of relevance. The principle of **equivalence** refers to courses and programs of the sending institution which are identical or similar to those of the receiving institution. The principle of **relevance** refers to courses of the sending institution which are in the areas or disciplines and at the levels of programs offered by the receiving institution, and are therefore appropriate for credit at the receiving institution.
Credits awarded in this category may involve special inter-institutional arrangements or individual assessment.

B. **Transfer courses and programs:**
These are delivered by a sending institution as courses and programs which correspond in description to those of the receiving institution.

3. **Special provisions for university transfer**

A. **Among universities:** Transfers are assessed on an individual basis by the receiving institution.

B. **From public colleges and technical institutes:** In lieu of the general admission requirement (see I, above), admission will be granted to any applicant who, upon successful completion of at least a full year's study at the sending institution, is recommended in writing by that institution as having satisfied the appropriate matriculation requirements or their equivalent.

C. **From affiliated colleges:** Details of transfer arrangements negotiated under affiliation agreements (currently those in effect between The University of Alberta and Canadian Union College, Concordia College, Camrose Lutheran College and The King's College) are included in the Provincial Transfer Guide, and where possible are extended to other universities.

IV. PROCEDURES FOR TRANSFER OF CREDIT AMONG ALBERTA POST-SECONDARY INSTITUTIONS

To facilitate the negotiation of transfer arrangements among post-secondary institutions, the Council has established the following set of procedures.

Objective
These procedures are designed to provide a mechanism for the negotiation of transfer and transferable courses and programs, and for their inclusion in the Alberta Provincial Transfer Guide.

Categories
Courses and programs proposed for transfer credit are of two main types, each of which involves a different relationship between the sending and the receiving institution.

1. **Transferable Courses/Courses with Transfer Potential**
In negotiations of transfer credit for transferable courses, the sending institution shall supply the receiving institutions with the following information: (a) course description, title, grading practices, weighting and outline, (b) textbooks and other resource materials, (c) qualifications required for an instructor. Additional information may be required at stated intervals for review purposes, or at the discretion of the receiving institutions.

2. **Transfer Courses/Courses in Transfer Programs**
In negotiations of transfer credit for transfer courses, the sending institution shall supply the receiving institution with the following information: (a) course description, (b) textbooks and other resource materials, (c) qualifications required for an instructor.

Transfer credit is based on initial negotiations, when the course is first offered by the sending institution. Subsequent negotiations and concurrence of the receiving institution are required where, in the view of the receiving institution, course revisions by the sending institution are sufficiently substantial to affect the transfer credit which has been negotiated.

Procedures

1. Each institution shall identify one central contact person (e.g. Registrar or Admissions Officer) who will be responsible for both internal and external distribution of formal transfer proposals and responses.

2. Each institution shall, through its central contact person, maintain and provide on request from other institutions (a) a list of other important institutional contacts for the purpose of facilitating appropriate preliminary discussions, and (b) a description of the internal procedures followed in the institution for the development and/or evaluation of proposals for transfer arrangements.

3. It is expected that proposals for credit will be processed as expeditiously as possible. If the transfer proposal is acceptable, the receiving institution will inform the other institutions in the system accordingly. The transfer normally will be honoured within the sub-system of which the receiving institution is a constituent.

4. If the transfer proposal is not acceptable, the receiving institution shall supply in writing, to the sending institution, the reason for this decision.

5. In the event that agreement has not been reached pursuant to (3) and (4), an institution may submit to the Council a written request for mediation. Where, in its opinion, the Council determines that a dispute concerning transfer exists, the Council may mediate to resolve the dispute.

6. In the event that the agreement cannot be reached pursuant to (5), the institutions in dispute may agree to submit the dispute to Council for arbitration. The Council will then establish procedures for the resolution of the dispute, and issue its decision resolving the dispute. The arbitration decision of the Council shall be final and without appeal or review.

7. Transfer arrangements are to be regarded as relatively enduring bilateral agreements — to be altered, amended or deleted only after mutual consultation. Regular discussion of existing transfer arrangements should take place between sending and receiving institutions. Any institution planning program or course changes which could bear on existing transfer arrangements as recorded in the Provincial Transfer Guide shall, insofar as possible, inform those institutions which would be primarily affected — subject, where necessary, to renegotiation. In cases where renegotiation of a transfer agreement is requested by either a sending or a receiving institution, the onus is on the institution requesting the change to provide the other institution with sufficient notice and lead-time to permit renegotiation before the next edition of the Transfer Guide.

8. Renegotiation of transfer arrangements is subject to the same guidelines as for the initial negotiations (i.e., 3-6).

9. When a new agreement has been negotiated, it replaces the old agreement in the next edition of the Transfer Guide. If no new agreement can be negotiated prior to preparation of the next edition of the Transfer Guide, with the agreement of both parties, the old agreement will be either removed from the Guide or clearly identified as under review.

V. INSTITUTIONAL REQUIREMENTS

Within the context of the preceding policy and procedures, each institution has particular requirements and practices for admission of students and awarding of transfer credit. These requirements are listed annually in the Provincial Transfer Guide and in institutional calendars.
